Prof. Shakti Kaushal
(AISA COORDINATOR)

Department of AIDS Engineering is committed to excellence in teaching, and inculcating a sense of pride and confidence in our students. The motivation is not just to nurture their technical skills but to provide professional grooming and guidance so that our students come-up as thorough professionals and inspiring individuals.

VISION

Empowering Minds for a Knowledge-Driven Future through Quality Education and Pursuit of Excellence

MISSION

1. To foster a culture of academic excellence and intellectual curiosity, nurturing a passion for higher studies and research.

2. To provide comprehensive guidance and resources that prepare members for successful pursuits in higher education and advanced research fields.

3. To establish "Higher Studies" as a distinguished center of excellence for individuals aspiring to further their education and contribute to society.

To instill a sense of social responsibility and ethical values, shaping well-rounded individuals who will be leaders in academia and society
