Event Permission with Budget

Academic Year: 2021-22

Semester-II

To,
 The Director/Principal,
 DYPSOE, Pune

Subject: Request for permission to organize Two Day Workshop on “**Research Opportunities and Innovation in Civil Engineering Field**” and consequently the budget.

Respected Sir,

Department of Civil Engineering is organizing a Two-Day Workshop On “Research Opportunities and Innovation in Civil Engineering Field” from 20th May to 21st of May 2022 in online mode.

Budget of the event:

| Sr. No. | Particulars | Amount (Rs.) |
|-----------------------------------|--|--------------|
| 1 | Renumeration of Resource Person (2 Person with Rs 1000/- each) | 2000/- |
| Total | | 2000/- |
| Total in words: Two Thousand only | | |

May I request you to give the permission to organize this event. I further request you to sanction the budget of Rs.2000/-

Thanking You,

Yours Faithfully,

Objective

Aspire to those altitudes of a thriving technocrat and educator in the voyage of education through escalating the technical and realistic knowledge so that society can appraise me for the service of mankind.

Know-how

Total Experience: 19 Years and 06 Months

Total Teaching Experience: 15 Years 02 Months

- ◆ Designation: Lecturer (Civil Engg. Department)
Institute: Amrutvahini College of Engineering, Sangamner, Ahmednagar
From 30/07/2002 to 08/07/2007 (Pune University permanent approval)
- ◆ Designation: Assistant Professor (Civil Engg. Department)
Institute: Amrutvahini College of Engineering, Sangamner, Ahmednagar
From 09/07/2007 to 05/07/2008 (Pune University permanent approval)
- ◆ Designation: Assistant Professor (Civil Engg. Department)
Institute: Chaitanya Bahuuddeshiya Sanstha's College of Engineering & Management, Amravati.
From 07/07/2008 to 25/7/2009
- ◆ Designation: Assistant Professor (Civil Engg. Department)
Institute: Prof. Ram Meghe College of Engineering & Management, Badnera, Amravati
From 28/07/2009 to 20/05/2010
- ◆ Designation: Assistant Professor (Civil Engg. Department)
Institute: Amrutvahini College of Engineering, Sangamner, Ahmednagar
From 01/07/2014 to 06/06/2015.

- ◆ Teaching Assistance ship (Full Time Research Scholar)
Institute: Visvesvaraya National Institute of Technology, Nagpur
From 01/07/2010 to 30/06/2014.

Professional Qualifications

Ph.D. (Structural Engineering): Awarded a Doctorate of Philosophy in Structural Engineering From VNIT, Nagpur on 10th March 2015. The title of Ph D thesis is 'INFLUENCE OF SEISMIC POUNDING ON ADJACENT STRUCTURES' under the supervision & Co-supervision of **Dr. S. V. Bakre & Dr. O. R. Jaiswal**, respectively.

Ph.D. Aptitude Test (PAT): Passed the test, conducted by Sant Gadge Baba Amravati University, Amravati, in the year 2008-2009.

M-Tech (Structural Engineering): from 'Visveswaraya Regional College of Engineering, Nagpur (Recently VNIT)', Under Nagpur University, Nagpur with 77.10% (First Class Distinction) in the year 2002.

GATE 2000: Organizing Institute I.I.T. Kharagpur, with the valid score of 86.08% in the year 2000.

B.E. (Civil Engineering): From 'Government College of Engineering, Amravati', Under Amravati University, with 72.65% (First Class) in the year 1999.

D.C.R.E. (Diploma in Civil & Rural Engineering): From 'Dr. Panjabrao Deshmukh Polytechnic, Amravati', under B.T.E. Mumbai with 66.23% (First Class) in the year 1996.

Computer Literacy

Programming Language

: Microsoft Fortran Power Station & Turbo C

Analysis and Design Software

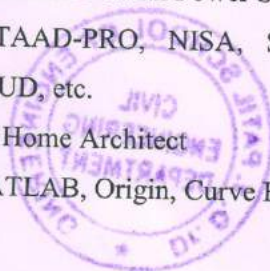

: STAAD-PRO, NISA, SAP2000NL, Nonlin, ETAB, STRUD, etc.

Drawing and Drafting Tools

: 3D Home Architect

Mathematical Tools

: MATLAB, Origin, Curve Expert & MATHCAD.

Project/Dissertation

At Post Graduate Level: 'Effect of Infill Wall Rigidity on seismic Response of Multistoried Buildings', Guided by- **Dr. O. R. Jaiswal**, Professor, VNIT, Nagpur.

At Under Graduate Level: 'Application of Various Structural Engineering Softwares', Guided by- **Dr. A. S. Meghere**, Head & Prof., GCOE, Amravati.

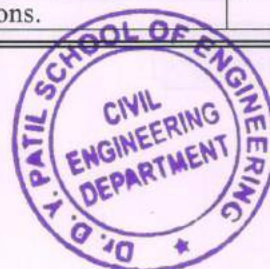

Area of Interest

- Static and dynamic analysis and design of structures (Specialty in earthquake engineering and structural dynamics),
- Random vibration analysis of structures,
- Structural control and mitigation,
- FE based Software modeling for analysis and design of structures.
- Computer programming for analysis and design of structures.

Guidance and UG, PG and Ph.D.

- ☐ Number of Under Graduation project guided: 18
- ☐ Number of Post-Graduation dissertation guided: 12
- ☐ Registered PG and Ph.D. guide of Savitribai Phule Pune University for the subject Civil-Structural Engineering.
- ☐ Number of Ph.D. Research Scholar guidance: 01 Completed and 03 Ongoing.

Courses Organized / Attended / Expert lecture

- ⊙ Resource person for expert lecture in FDP on Recent Advances in Structural Engineering at Guru Gobind Singh College of Engineering and Research, Nashik during 18 April 2022.
- ⊙ Participated in Indian Technology – Innovation Entrepreneurship Conclave (I-Tec) held at Reva University, Bangalore with the support of MHRD, NAFEMS and WAIN from 3rd – 4th January 2020.
- ⊙ Coordinated Two days National Conference on ‘Analysis and Design of Civil Engineering Structures under Static and Dynamic Loading’ organized at AVCOE Sangamner and Sponsored by Savtribai Phule Pune University, on 27th – 28th January 2016.
- ⊙ Resource person in One week TEQIP STTP on “Application of MATLAB in Engineering and Science” Organized at Department of Applied Mechanics, Government College of Engineering, Karad, on 23rd – 27th December 2015.
- ⊙ Recourse Person in two days training Workshop on ‘Hand on training of SAP 2000NL software for UG students’ organized at Shri Saibaba Institute of Engg Research, Rahata-Shirdi, on 2nd – 3rd October 2015.
- ⊙ Coordinated three days National Level Workshop on ‘Applications of SAP 2000 NL in the field of Structural Engineering (WASAP-15)’ organized at AVCOE, Sangamner on 3rd – 5th January 2015.
- ⊙ Recourse Person in three days National Level Workshop on ‘Analysis and Design of Different Structures in SAP 2000 NL’ organized at SNDCOERC, Yeola on 24th – 26th January 2015.
- ⊙ Participated in one day STTP on ‘Practical aspects of structural design’ held at VNIT Nagpur on 29th March 2014.
- ⊙ Participated in one week training programme on ‘Seismic analysis and design of RC buildings’ conducted at VNIT Nagpur, from 5th to 9th March 2014.
- ⊙ Participated in two days workshop funded by TEQIP-II on ‘Rehabilitation and retrofitting of RC structures using FRP composites’ organized by Applied Mechanics department, VNIT Nagpur, during 15th – 16th March 2013.
- ⊙ Participated in two days workshop funded by TEQIP-II on ‘Seismic analysis and design of RC and Masonary structures’ organized by Applied Mechanics department, VNIT Nagpur, during 2nd – 3rd March 2013.

- Attended a STTP on 'Development of Basic Teaching Competencies' held from 14th to 25th June 2006, Organized at NITTTR extension center, Pune.
- Attended a STTP on 'Special methods of teaching Engineering Mechanics', held from 12th to 16th July 2004, Organized at AISSMS's College of Engineering, Pune.
- Attended a STTP on 'Structural Dynamics- Application to earthquake Engineering', held from 24th Nov. to 5th Dec. 2003, Organized at I.I.T. Bombay, Under NPEEE.
- Attended a STTP on 'Structural Steel Design for University Faculty' held from 3rd to 8th February 2003, Organized at Department of Civil Engineering, Osmania University College of Engineering.

Undergraduate Level:

Engineering Mechanics, Strength of Materials, Mechanics of Structures, Theory of Structures (Structural Analysis) I & II, Matrix Method of Structural Analysis, Computer Application, Finite Element Method, Structural Design and Drawing III, Infrastructural Engineering and Construction Techniques, BCEE.

Post Graduate Level: Earthquake Resistant Design & Analysis, Earthquake Engineering and Disaster Management, Structural Design of Steel Bridges: Elective II (Module I), Building Services and Maintenance: Elective II (Module II), Retrofitting and Strengthening of R C Structures: Elective III (Module I) and Safety practices in construction: Elective III (Module II).

Academic Portfolio Handled

- ✦ Working as a Institute Level PG Coordinator since 17 January 2017 in Amrutvahini College of Engineering, Sangamner, Ahmednagar, MS.
- ✦ Worked as a Head of Civil Engineering Department from 20 August 2015 to 16 January 2017 in Amrutvahini College of Engineering, Sangamner, Ahmednagar, MS.
- ✦ Represented the department during NAAC Visit in the month of February 2016. (NAAC awarded A grade to Amrutvahini College of Engineering, Sangamner).

Extra Curriculum Activities

- ✦ Working as an institute level AICTE coordinator since 2018.
- ✦ Organized a course of C programming, MATLAB programming, STAAD PRO, and AUTOCAD for the BE civil engineering students.
- ✦ Set and maintained CAD lab of Civil Engineering Department in AVCOE, Sangamner.
- ✦ Worked as a Hostel-Chief Warden for six month in AVCOE, Sangamner in the year 2007-2008.
- ✦ Worked as Hostel-Rector in AVCOE, Sangamner from November 2014 to January 2017.

Involvement in Social Activities

- ✦ Actively contributed in preparation of report of Best Practices Award of AICTE-Clean and Smart Campus for institute, resulted into recognition from AICTE to the institute under this category.

- Contributed as a Course Coordinator for the course of Research Methodology and IPR, in Three Days Online Workshop for Drafting of TE Civil 2019 Pattern Syllabus, organized by AISSMS College of Engineering, Pune in association with Board of Studies, Civil Engg, SPPU from 3rd May to 5th May 2021.
- Participation as a session chair in “Civil Engineering Sixth PGCON-2019, at Sinhgad College of Engineering in association with BOS Civil Engineering, Savitribai Phule Pune University”, 17th and 18th June 2019.
- Participation as a session chair in “Civil Engineering Fifth PGCON-2018, at JSPM’s Imperial College of Engineering and Research in association with BOS Civil Engineering, Savitribai Phule Pune University”, 11th and 12th June 2018.
- Worked as an External Examiner at MAEER’s MIT Kothrud for M.Tech Dissertation Exam.
- Worked as a paper setter for UG and PG program at Government College of Engineering, Karad, REVA University Bengaluru, and Sanjivani College of Engineering Kopargoan (Autonomous Institution).

NPTEL Course Certification

- ☒ Successfully completed the course of “Matrix Method of Structural Engineering” with Elite 5% Topper Category in August-October 2018.
- ☒ Successfully completed the course of “MATLAB Programming for Numerical Computation” with Elite Category in January-March 2019.
- ☒ Successfully completed the course of “Structural Dynamics for Civil Engineers-SDOF systems” with Elite Category in August-September 2019.
- ☒ Successfully completed the course of “NBA Accreditation and Teaching-Learning in Engineering (NATE)” with 88% in January-April 2020.
- ☒ Successfully completed the course of “Structural Dynamics” in January-April 2021.

Subject: Invitation for Guest Lecture

Respected Sir,

1. This is to introduce ourselves i.e., Dr DY Patil School of Engineering Lohegaon, Dist.-Pune established in year 2010-11 affiliated to Savitribai Phule Pune University. This college runs degree courses in Civil, Mechanical, Electronics & Tele-Communication, Computer and Artificial Intelligence it also runs 3 PG Courses approved by AICTE, DTE & Savitribai Phule Pune University. From the beginning, we have been continuously delivering very effectual knowledge to our students and we expect very good returns from them for the progress of the country.

2. It is our honour to take valuable guidance from the Professional experts like you. It will add to the knowledge of our faculties.

3. Being a Subject matter expert in the field, may I request you to present your views on "Recent Innovation in Civil Engineering" We request you to deliver your session on 20th May 2022 at 11:00 am, including 10 minutes of Questions and answer Session. Looking forward to encouraging response from you.

Thanking You.

Curriculum Vitae

Dr C. KRISHNAIAH

+919890766223/9493700110 - krishnac26@gmail.com

Education:

- M.Sc (Tech) Geophysics from Center of Exploration Geophysics, Osmania University, Hyderabad
- M. Sc Geoinformatics, from Sikkim Manipal University
- Ph D in Geology from University of Pune

Title of the thesis: Analysis of Contaminant Transport in Groundwater using Finite Element Method

- 34 years of experience in Engineering Geophysics in carrying out investigations to solve geotechnical, geo-hydrological and geo-environmental problems.
- Investigations encompass the problems related to the foundation of river valley, nuclear & thermal power, maritime projects, and groundwater resources.
- I actively associated with world bank aided National Hydrology Project (NHP) and Dam Rehabilitation and Improvement Project (DRIP) schemes in various capacities.
- Investigated 47 projects under diverse geological/geotechnical, hydrogeological conditions and in shallow underwater environments.
- Published 27 technical papers in National & International Journals, Symposia/Seminars.
- Delivered lectures in various fora and contributed in the compilation of technical memoranda on the safety and diagnosis of the health of the dams (pre and post remediation stages) using non-destructive geophysical and hydrogeological methods.
- Life member of eight various professional bodies and annual member in one. **Vice-Chairman, IGS, Pune chapter**
- Global Subcommittee member of the Near-Surface Geophysics, Society of Exploration Geophysicists (SEG).
- Empanelled with National Productivity Council (NPC, Under Ministry of Commerce & Industry, Government of India) as the Geophysicist Technical Area Expert (TAE) under the scheme for accreditation of Ground Water Consultant Organisation (GWCO).
- Member of the Department Advisory Board (DAB) for the Department of Civil Engineering of All India Shri Shivaji Memorial Society (AISSMS) College of Engineering, affiliated to the Savitribai Phule Pune University, Pune.
- Was the Member of Review committee for ISO/BIS/CBIP documents and also have been reviewing technical papers for various Journals.
- Examined Ph D theses and, guided & examined PG students in major projects.

Employment Details:

- **Adjunct Faculty** (Aug 2021 - till date), Department of Civil Engineering, College of Engineering (CoEP), Pune.
- **Research Assistant, Research Officer, Senior Research Officer, Scientist - D/Chief Research Officer @ CSMRS New Delhi and CWPRS Pune, Ministry of Jal Shakti, Government of India).**

- **Stipendiary Geophysicist @ Center of Exploration Geophysics, Osmania University, Hyderabad**

Scientific Achievements:

- Organised a National Workshop on "Dam Rehabilitation – Trends and Practices", 13-14 October 2016, in association with IGS Pune chapter at CWPRS, as a part of its centenary celebrations with a great success
- I got awarded commendation certificate from the Director, CSMRS, New Delhi for the geophysical investigations I had carried out successfully for the Tehri Dam Project in collaboration with erstwhile USSR scientists much ahead of the target.

Some of the recent technical contributions:

I. National Hydrology Project (NHP):

- Nodal Officer for the Purpose Driven Studies (PDS): As a nodal officer of PDS, I coordinated PDS activities of various divisions of CW&PRS.
- Principal Investigator (PI) of PDS: "Study of Surface and Subsurface Water Interaction using Remote Sensing, Geo-hydrological and Geophysical Techniques and its modelling".
- Team leader for establishing the Testing Calibration and Certification Facility (TCCF)
- Team leader to inspect the of status of the equipment procured and laboratories established under HP – I & II in Telangana region.

II. Technical Officer, Jal Shakti Abhiyan (JSA) Department of Water Resources, RD & GR, Ministry of Jal Shakti, Government of India

III. Dam Rehabilitation and Improvement Project (DRIP)

Conducted integrated geophysical investigations to diagnose the health of the hydraulic structures at pre and post rehabilitation stages. I was also a committee member for the infrastructure development of CWPRS under this scheme and the requisition officer for the purchase of geophysical equipment.

IV. Technical Memorandum: Contributed in the compilation of "Technical memorandum on assessment and control of seepage in hydraulic structures" and also authored a topic on "geophysical and hydrogeological methods for seepage through hydraulic structures".

Delivered a technical lecture on "Geological and Geophysical applications in Geotechnical Engineering" in "Geotechnical Engineering for Infrastructure Development Webinar Series 2022" organised by Indian Geotechnical Society Goa Chapter, on 24/03/2022.

Event Contents:

1. The involvement of geophysics in Geotechnical Engineering.
2. Handling of geotechnical problem is interdisciplinary approach
3. Basic Engineering geological /Geotechnical Parameter

Program Outcome:-

1. Understand all facets of Geophysics in geotechnical engineering
2. Field knowledge of Geophysics application
3. Able find out the failure of the structure

Details of the event:-

Our Civil Engineering Department organized a webinar on “Application of engineering Geophysics for geotechnical Problem “on 21st April 2022. It was conducted on online platform Microsoft Team app. We had invited resource person from renowned institutes and the person

was having vast experience in the field Geophysics Engineering. To invite the faculties and students from other institute we had published Flyer and sent to faculties through mail, social media etc. The webinar was of free of cost.

Resource Persons details:

Dr.C.Krishnaiah,

Adjunct Faculty, College of Engineering, Pune (COEP) Former Scientist, Government of India, Central Water and Power Research Station Pune, Maharashtra India. Vice Chairman, IGS Pune Chapter

We had sent invitation letter to Resource person through mail. We immediately received a Positive response from them. We prepared schedule and as per convenient to resource person and participants. We fixed the time 3:00 to 4:30 pm. Total No.of participants were 61.

Subject: -Expression of Gratitude

Respected Sir,

1. On behalf of Dr. D.Y. Patil School of Engineering, Lohegaon Pune, We are thankful to you for delivering the guest lecture for BE student on subject **"Artificial Intelligence"** dated 31st March 2022.

2. We believe that, the knowledge you shared with the students will help immensely in their academic development. Your presentation was excellent and enjoyed by every student. We appreciate you for sharing your time, talent and expertise with us.

3. We look forward many more such association in future.

Sincerely ,

Prof. Lt. Col. Sanjay Karodpati (Retd)

Subject- Request to sanction remuneration amount Rs. Six Thousand only (Rs. 6,000/-) for FDP conduction of Machine Learning & Artificial Intelligence.

Respected Sir,

With request to above mentioned subject, we the Department of Computer Engineering want to conduct the five days (daily two hours session) FDP-Faculty Development Program of Machine Learning & Artificial Intelligence in the first/second week of august tentatively.

For the above said FDP, the guest speaker we are inviting is Mr. Yogesh Mrurumkar, Director of Bharat Soft Solutions, Kothrud, Pune-411038.

So here we request you to please sanction Rs. Six Thousand only (Rs. 6,000/-) as remuneration amount for guest speaker for five days FDP (daily two hours session, Total ten hours session). We are requesting this amount against the funds generated in the year 2019 of amount Rs. 91,200/- through SoftTech Data Securities.

Kindly consider the application and do the needful.

Yours Faithfully,
Prof. Yogesh Mali

Introduction

He has Completed his Graduation and Post-Graduation from Pune University in Computer

A Data Science and Big Data Analytics enthusiast with more than 10 years of experience including IT experience and teaching/training experience. Worked for Capgemini India Pvt Ltd for 4 years and worked for clients like Barclays and S-Pankki bank. He has successfully trained more than 300 participants for Global Certification in Data Science and Big Data Analytics by DELL EMC. He is a Global Certified trainer in Data Science and Big Data Analytics. Also, Microsoft Certified Python Developer. He has good practical hands on skills including Tools/Technologies like **Unix, Tableau Licensed, Power BI, Hadoop, Hbase, Hive, Pig, SQL, R and R Studio and Python**. Conducted various trainings and workshops related to **Machine Learning, Deep Learning, Block chain, Big Data Analytics and Data Science** for students, professionals at various colleges and universities. Currently training a batch of 100 students and professionals for certification exam in **Data Science and Big Data Analytics** at Interdisciplinary School of Scientific Computing and Department of School of Energy Studies, Savitribai Phule Pune University Ganeshkhind Road, Pune, Maharashtra.

SUMMARY:

- Total 10+ years of experience (4 years IT + 6 years Training and Teaching)
- Currently working as Director for start up "Bharat Software Solutions", Kothrud, Pune, Maharashtra 411042
- Worked with Samutarksha Digital, Whistelling meadows, Bhugaon Road, Pune as Senior Trainer in Big data, Hadoop, HDFS, HIVE, Hbase, R and Rstudio

- Worked for Capgemini India Pvt. Ltd. Talwade MIDC during period Apr 10 – Dec 12
- Proficient in Installation, configuration and administration of single node cluster Hadoop1.x, Hadoop2.x and Hadoop3.x
- Strong understanding of “Big Data and Hadoop” and HDFS
- Successfully trained more than 150 students and professionals for “Global Certification in Data Science and Big Data Analytics” by DELL EMC
- Implemented Analysis of Big Data using Map Reduce paradigm on HDFS
- Good knowledge of Hands on Hadoop commands
- Experience in putting data on HDFS and Moving the data from Local system to HDFS and vice versa
- Experience in Integration of HIVE, HBASE and Hadoop for Analysis of Big Data
- Experience in using HiveQL on top of HDFS for analysis of Big Data
- Knowledge of Hadoop Ecosystem
- Knowledge of Managed and external tables in HIVE for analysis of data on HDFS
- Integration of R and Hadoop
- Social media Analytics using R and R-studio
- Worked on project for analyzing the log files of a system
- Hands on project for analyzing NCDC data to find maximum and minimum temperature using MapReduce paradigm
- Knowledge of analysis of different types of data – Structured, Semi-structured, Quasi-Structured and Unstructured data
- Worked on Ambari for supporting Hadoop related issues
- Experience in supporting Hadoop project for a client
- Knowledge of Benchmark Testing for Hadoop nodes
- Experience in testing Hadoop environment for Dead Nodes and Live Nodes
- Worked in Hadoop environment including 1 Active Namenode, 1 standby Namenode and 24 Datanodes
- Good understanding of Namenode, Datanode, Secondary Namenode, NodeManager and Resource managers
- Admirable Professional skills in working independently and as a Team Member
- Good understanding of relational and non relational databases

Project & Assignment Description

EDW Data warehouse deals with different kinds of financial loans which are categorized as Facility, Professional, FEP. Data is coming from various sources like Oracle, Flat File etc which will be loaded in to EDW based on different frequencies as per the requirement. The entire ETL process consists of source systems, staging area, ODS layer, Data warehouse and Datamart.

ETL: Extract data from Oracle source and Flat files using Interaction tool and by performing required transformation. It will load data to Staging(Oracle) on daily basis by scheduling workflows.

Responsible for:

- Responsible for analyzing, designing and developing ETL strategies and processes, writing ETL specifications.
- Developed standard and re-usable mappings and maplets using various transformations like expression, aggregator, joiner, source qualifier, router, lookup, update strategy, etc.
- Created the unit test cases for mappings developed and verified the data.

“Machine Learning & Artificial Intelligence”

FDP Report

Name of the Event: A Five Days Faculty Development Program on “Machine Learning & Artificial Intelligence”

Faculties Involved: Total 108 faculties from all over India from technical institutes are registered from the FDP.

Date: 20th of December 2021-Monday to 27th December 2021-Monday.

Venue: Microsoft Team Meeting.

Report:

The FDP was arranged for the engagement of faculty members towards developing their interest in the field of machine learning and artificial intelligence.

The speaker for this event was **Mr. Yogesh Murumkar** Director of Bharat Soft Solutions Pvt. Ltd., Kothrud, Pune, Maharashtra, India.

Total 100 faculties attended the FDP and the video has been posted on departmental YouTube channel named as **“DYP SOE Lohegaon - Computer Engineering”**

Day 1 - <https://www.youtube.com/watch?v=CLMmNP6-qjQ>

Day 2 - <https://www.youtube.com/watch?v=innzcuNTMWg>

Day 3 - <https://www.youtube.com/watch?v=UEd-7gtmQw>

Day 4 - https://www.youtube.com/watch?v=Fk_9is-JUZM

Day 5 - <https://www.youtube.com/watch?v=UzE03Lu2GCE&t=22s>

Prof. Sonal Durgule welcomed the audience and gave a brief introduction about the speaker. Prof. Yogesh Mali gave a brief about the five days' FDP and necessary guidelines that followed during the FDP.

Faculty members are provided with Google form link for feedback given by Prof. Vishal Borate. As the feedback recorded in the system was very positive.

The FDP was organized under Industry Institution Interaction Cell (IIIC) of Computer engineering Department and in association with Bharat Soft Solutions Pvt. Ltd., Kothrud, Pune, Maharashtra under the "Center of Excellence - Artificial Intelligence-AI & Machine Learning"

The FDP was monitored by Prof. Sonal Durgule, Prof. Vishal Borate (IIIC Coordinator) and Prof. Yogesh Mali (T&P Coordinator).

Letter of Appreciation

We, the Computer Engineering Department at Dr. D. Y. Patil School of Engineering, Lohegaon, Pune would like to take this opportunity to express our heartfelt thanks to **Mr. Yogesh Murumkar** for joining us as a speaker for a five days Faculty Development Program on "Machine Learning & Artificial Intelligence" from 20th of December 2021-Monday to 27th December 2021-Monday.

On both a professional and a personal level, we really appreciated the time that you spend together for the enrichment of knowledge of the faculty members. Our faculties certainly learned a lot about the domains, techniques, issues as well as the solutions given by you towards their betterment.

We once Again, thank you for the enthusiastic participation in the FDP and hope will continue same in the future.

Thank You.

Introduction

He has Completed his Graduation and Post-Graduation from Pune University in Computer

A Data Science and Big Data Analytics enthusiast with more than 10 years of experience including IT experience and teaching/training experience. Worked for Capgemini India Pvt Ltd for 4 years and worked for clients like Barclays and S-Pankki bank. He has successfully trained more than 300 participants for Global Certification in Data Science and Big Data Analytics by DELL EMC. He is a Global Certified trainer in Data Science and Big Data Analytics. Also, Microsoft Certified Python Developer. He has good practical hands on skills including Tools/Technologies like **Unix, Tableau Licensed, Power BI, Hadoop, Hbase, Hive, Pig, SQL, R and R Studio and Python**. Conducted various trainings and workshops related to **Machine Learning, Deep Learning, Block chain, Big Data Analytics and Data Science** for students, professionals at various colleges and universities. Currently training a batch of 100 students and professionals for certification exam in **Data Science and Big Data Analytics** at Interdisciplinary School of Scientific Computing and Department of School of Energy Studies, Savitribai Phule Pune University Ganeshkhind Road, Pune, Maharashtra.

SUMMARY:

- Total 10+ years of experience (4 years IT + 6 years Training and Teaching)
- Currently working as Director for start up "Bharat Software Solutions", Kothrud, Pune, Maharashtra 411042
- Worked with Samutarksha Digital , Whistelling meadows , Bhugaon Road, Pune as Senior Trainer in Big data, Hadoop, HDFS, HIVE, Hbase, R and Rstudio

- Worked for Capgemini India Pvt. Ltd. Talwade MIDC during period Apr 10 – Dec 12
- Proficient in Installation, configuration and administration of single node cluster Hadoop1.x, Hadoop2.x and Hadoop3.x
- Strong understanding of “Big Data and Hadoop” and HDFS
- Successfully trained more than 150 students and professionals for “Global Certification in Data Science and Big Data Analytics” by DELL EMC
- Implemented Analysis of Big Data using Map Reduce paradigm on HDFS
- Good knowledge of Hands on Hadoop commands
- Experience in putting data on HDFS and Moving the data from Local system to HDFS and vice versa
- Experience in Integration of HIVE, HBASE and Hadoop for Analysis of Big Data
- Experience in using HiveQL on top of HDFS for analysis of Big Data
- Knowledge of Hadoop Ecosystem
- Knowledge of Managed and external tables in HIVE for analysis of data on HDFS
- Integration of R and Hadoop
- Social media Analytics using R and R-studio
- Worked on project for analyzing the log files of a system
- Hands on project for analyzing NCDC data to find maximum and minimum temperature using MapReduce paradigm
- Knowledge of analysis of different types of data – Structured, Semi-structured, Quasi-Structured and Unstructured data
- Worked on Ambari for supporting Hadoop related issues
- Experience in supporting Hadoop project for a client
- Knowledge of Benchmark Testing for Hadoop nodes
- Experience in testing Hadoop environment for Dead Nodes and Live Nodes
- Worked in Hadoop environment including 1 Active Namenode, 1 standby Namenode and 24 Datanodes
- Good understanding of Namenode, Datanode, Secondary Namenode, NodeManager and Resource managers
- Admirable Professional skills in working independently and as a Team Member
- Good understanding of relational and non relational databases

Project & Assignment Description

EDW Data warehouse deals with different kinds of financial loans which are categorized as Facility, Professional, FEP. Data is coming from various sources like Oracle, Flat File etc which will be loaded in to EDW based on different frequencies as per the requirement. The entire ETL process consists of source systems, staging area, ODS layer, Data warehouse and Datamart.

ETL: Extract data from Oracle source and Flat files using Interaction tool and by performing required transformation. It will load data to Staging(Oracle) on daily basis by scheduling workflows.

Responsible for:

- Responsible for analyzing, designing and developing ETL strategies and processes, writing ETL specifications.
- Developed standard and re-usable mappings and maplets using various transformations like expression, aggregator, joiner, source qualifier, router, lookup, update strategy, etc.
- Created the unit test cases for mappings developed and verified the data.

Letter of Appreciation

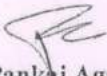

We, the Computer Engineering Department at Dr. D. Y. Patil School of Engineering, would like to take this opportunity to express our heartfelt thanks to **Mr. Yogesh Murumkar** for joining us as a speaker for five days workshop on "Hands on Python Workshop with Applications and Cloud Deployment" from 23rd of February 2021, Tuesday to 27th February 2021, Saturday.

On both a professional and a personal level, we really appreciated the time that you spend together for the enrichment of knowledge of the students. Our students certainly learned a lot about the different domains, techniques, issues as well as the solutions given by you towards their betterment.

We once Again, thank you for the enthusiastic participation in the webinar and hope will continue same in the future.

Thank You.

Curriculum Vitae

Dr C. KRISHNAIAH

+919890766223/9493700110 - krishnac26@gmail.com

Education:

- M.Sc (Tech) Geophysics from Center of Exploration Geophysics, Osmania University, Hyderabad
- M. Sc Geoinformatics, from Sikkim Manipal University
- Ph D in Geology from University of Pune

Title of the thesis: Analysis of Contaminant Transport in Groundwater using Finite Element Method

- 34 years of experience in Engineering Geophysics in carrying out investigations to solve geotechnical, geo-hydrological and geo-environmental problems.
- Investigations encompass the problems related to the foundation of river valley, nuclear & thermal power, maritime projects, and groundwater resources.
- I actively associated with world bank aided National Hydrology Project (NHP) and Dam Rehabilitation and Improvement Project (DRIP) schemes in various capacities.
- Investigated 47 projects under diverse geological/geotechnical, hydrogeological conditions and in shallow underwater environments.
- Published 27 technical papers in National & International Journals, Symposia/Seminars.
- Delivered lectures in various fora and contributed in the compilation of technical memoranda on the safety and diagnosis of the health of the dams (pre and post remediation stages) using non-destructive geophysical and hydrogeological methods.
- Life member of eight various professional bodies and annual member in one. **Vice-Chairman, IGS, Pune chapter**
- Global Subcommittee member of the Near-Surface Geophysics, Society of Exploration Geophysicists (SEG).
- Empanelled with National Productivity Council (NPC, Under Ministry of Commerce & Industry, Government of India) as the Geophysicist Technical Area Expert (TAE) under the scheme for accreditation of Ground Water Consultant Organisation (GWCO).
- Member of the Department Advisory Board (DAB) for the Department of Civil Engineering of All India Shri Shivaji Memorial Society (AISSMS) College of Engineering, affiliated to the Savitribai Phule Pune University, Pune.
- Was the Member of Review committee for ISO/BIS/CBIP documents and also have been reviewing technical papers for various Journals.
- Examined Ph D theses and, guided & examined PG students in major projects.

Employment Details:

- **Adjunct Faculty** (Aug 2021 - till date), Department of Civil Engineering, College of Engineering (CoEP), Pune.
- **Research Assistant, Research Officer, Senior Research Officer, Scientist - D/Chief Research Officer @ CSMRS New Delhi and CWPRS Pune, Ministry of Jal Shakti, Government of India).**

- **Stipendiary Geophysicist @ Center of Exploration Geophysics, Osmania University, Hyderabad**

Scientific Achievements:

- Organised a National Workshop on "Dam Rehabilitation – Trends and Practices", 13-14 October 2016, in association with IGS Pune chapter at CWPRS, as a part of its centenary celebrations with a great success
- I got awarded commendation certificate from the Director, CSMRS, New Delhi for the geophysical investigations I had carried out successfully for the Tehri Dam Project in collaboration with erstwhile USSR scientists much ahead of the target.

Some of the recent technical contributions:

I. National Hydrology Project (NHP):

- Nodal Officer for the Purpose Driven Studies (PDS): As a nodal officer of PDS, I coordinated PDS activities of various divisions of CW&PRS.
- Principal Investigator (PI) of PDS: "Study of Surface and Subsurface Water Interaction using Remote Sensing, Geo-hydrological and Geophysical Techniques and its modelling".
- Team leader for establishing the Testing Calibration and Certification Facility (TCCF)
- Team leader to inspect the of status of the equipment procured and laboratories established under HP – I & II in Telangana region.

II. Technical Officer, Jal Shakti Abhiyan (JSA) Department of Water Resources, RD & GR, Ministry of Jal Shakti, Government of India

III. Dam Rehabilitation and Improvement Project (DRIP)

Conducted integrated geophysical investigations to diagnose the health of the hydraulic structures at pre and post rehabilitation stages. I was also a committee member for the infrastructure development of CWPRS under this scheme and the requisition officer for the purchase of geophysical equipment.

IV. Technical Memorandum: Contributed in the compilation of "Technical memorandum on assessment and control of seepage in hydraulic structures" and also authored a topic on "geophysical and hydrogeological methods for seepage through hydraulic structures".

Delivered a technical lecture on "Geological and Geophysical applications in Geotechnical Engineering" in "Geotechnical Engineering for Infrastructure Development Webinar Series 2022" organised by Indian Geotechnical Society Goa Chapter, on 24/03/2022.

Subject: Invitation for Guest Lecture

Respected Sir,

1. This is to introduce ourselves i.e., Dr DY Patil School of Engineering Lohegaon, Dist.-Pune established in year 2010-11 affiliated to Savitribai Phule Pune University. This college runs degree courses in Civil, Mechanical, Electronics & Tele-Communication, Computer and Artificial Intelligence it also runs 3 PG Courses approved by AICTE, DTE & Savitribai Phule Pune University. From the beginning, we have been continuously delivering very effectual knowledge to our students and we expect very good returns from them for the progress of the country.

2. It is our honour to take valuable guidance from the Professional experts like you. It will add to the knowledge of our Students and faculties.

3. Being a Subject matter expert in the field, may I request you to present your views on "Application of Engineering Geophysics for Geotechnical Problem". We request you to deliver your session on 21st April 2022 at 3:00 Pm, including 10 minutes of Questions and answer Session. Looking forward to encouraging response from you.

Thanking You.

Yours sincerely,

Prof. Lt. Col. Sanjay Karodpati (Retd.)

Semester-II

Name of the event: Webinar on “Application of Engineering Geophysics for Geotechnical Problem”

| | |
|-------------------|---|
| Date and Time | 21 April 2022, Time-3:00-4:30 PM |
| Event Venue | Online platform Microsoft team |
| Organized by | Department of Civil Engineering |
| Targeted Audience | 61 Numbers |
| Resource Person | Dr.C.Krishnaiah Adjunct Faculty, College of Engineering, Pune (COEP) Former Scientist, Government of India, Central Water and Power Research Station Pune, Maharashtra India. Vice Chairman, IGS Pune Chapter |

Event Contents:

1. The involvement of geophysics in Geotechnical Engineering.
2. Handling of geotechnical problem is interdisciplinary approach
3. Basic Engineering geological /Geotechnical Parameter

Program Outcome:-

1. Understand all facets of Geophysics in geotechnical engineering
2. Field knowledge of Geophysics application
3. Able find out the failure of the structure

Details of the event:-

Our Civil Engineering Department organized a webinar on “Application of engineering Geophysics for geotechnical Problem “on 21st April 2022. It was conducted on online platform Microsoft Team app. We had invited resource person from renowned institutes and the person

was having vast experience in the field Geophysics Engineering. To invite the faculties and students from other institute we had published Flyer and sent to faculties through mail, social media etc. The webinar was of free of cost.

Resource Persons details:

Dr.C.Krishnaiah,

Adjunct Faculty, College of Engineering, Pune (COEP) Former Scientist, Government of India, Central Water and Power Research Station Pune, Maharashtra India. Vice Chairman, IGS Pune Chapter

We had sent invitation letter to Resource person through mail. We immediately received a Positive response from them. We prepared schedule and as per convenient to resource person and participants. We fixed the time 3:00 to 4:30 pm. Total No.of participants were 61.

Subject: -Expression of Gratitude

Respected Sir,

On behalf of Dr. D.Y. Patil School of Engineering, Lohegaon Pune, We are thankful to you for delivering the expert speech on subject "**Application of Engineering Geophysics for Geotechnical Problem**" on 21st April 2022.

We believe that, the knowledge you shared with the Students will help immensely in their personal and academic development. Your presentation was excellent and enjoyed by everyone. We appreciate you for sharing your time, talent and expertise with us.

We look forward many more such association in future.

Sincerely,

Subject: Permission to organize a guest lecture on "*How to become an Entrepreneur*".

Respected Sir,

As a part of TBI and R&D activity to enhance the knowledge and skill entrepreneurship among the students, our college TBI cell has planned a guest lecture on "*How to become an Entrepreneur*".

The Guest lecture will be conducted online using MS-Team application of the Institute.

It will be arranged on Saturday, 04.12.2021 without hampering the academic activity.

The resource person is **Mr. Nitin Thorve**, MD, Ksemin Systems Pvt. Ltd, **Moshi, Pune**. He will be delivering the lecture for **two hours** and the remuneration is **1000/- rupees**.

We request you to give us permission for the same so that it will help the students to get aware of the startup process.

Dear Nitin Sir,

Seasons Greetings!!

Hope you are doing well in this situation of pandemic and taking every possible care of self and family.

In the context of the discussion we had a week before, I, on behalf of Dr. D Y Patil School of Engineering, Lohegoan, request you to deliver a guest lecture on *How to become an Entrepreneur* to enrich our students with your experience and knowledge.

The expected points to be covered in guest lecture are as follows:

1. How to think out of box and be distinct?
2. How to start our own company and the legal issues in start up?
3. What are the challenges in the start up?
4. Share your own experiences.

Our department will be grateful to have you as a resource person and a mentor to help our students to set up their startup on innovation based concepts which may perhaps help them to address the real world problems.

Looking forward of your positive response.

Thanks & Regards,

Sunil. D. Rathod.

Hybrid Cloud

Organizational Experience

Cybage Software Pvt. Ltd.

Mar'21-Till Date

Role: [Associate Vice President – Cloud Presales]

Key Responsibilities: Responsible for Cloud and Infrastructure Presales activities.

IBM India Pvt. Ltd.

Aug'16-Feb'21

Project # 4: IBM Managed Private Cloud IaaS for Storage (MPC for Storage and Compute)

Oct'18 to Feb'21

Role: [Chief Architect – MPC-Offering, Costing and special projects]

Key Responsibilities:

- Working with MPC for storage - offering project to support worldwide strategy.
- Leading complete TCO work for all Storage, SAN and NAS devices for internal audits and complex engagements.
- Stand and Deliver IBM Capability to Enterprise & Commercial clients to align and maintain relationship with OEM's like Dell, Netapp, Cisco, Brocade, Lenovo, and VMware.
- Analyze customer requirements and perform cost-benefit analysis for private cloud solutions.
- Lead and monitor ARB meetings for all accounts.
- Conduct architectural evaluation, design, and analysis of enterprise wide systems.
- Trainer for AT and Team SD for GTS, and a core member of GTS India ITA certification profession.

Project # 3 AECOM North America (NA) SO account – [Lead Architect Azure Cloud Integration]

Aug 16 to Sep'19

Key Result Areas:

- Worked for leading US construction and real estate-based account to support Data Center Refresh & Transformation Projects worldwide.
- Consistently developing technical solution strategies and present a technical solution with compelling business value that includes IBM innovation, provide unique differentiation, and providing consultative, architectural, program and engineering support for IBM customers' journeys to the cloud.
- Led the IBM technical response efforts and be accountable for the quality and accuracy of all materials delivered to the client. Place a significant focus on the client's business objectives and ensure solutions will meet those objectives and minimize solution gaps as measured post contract.
- Demonstrated technical competence to evaluate, present, defend, and sell technical solutions to clients. Inspect and

- validate the teams work products to ensure the solution and contract match.
- Managed large-scale business application architecture and design efforts; developing and maintaining application architectures for various business functional areas; resolving integration and interface issues between various applications or systems with focus on optimizing application performance and scalability
- Developed multiple reference patterns and standards which includes – standard patterns for infrastructure, architectural principals for the account, reference architecture for edge sites movement to Cloud.

Project # 2 WPP UKI SO account – Lead Infrastructure Architect

Aug'16 to Dec'17

Key Result Areas: [Pillar 4 – Refresh Program]

- Led complex engagements, re-negotiations on RFS & base growth engagements, own technical solution from inception through proposal/signing
- Ensuring IBM is delivering a superior client experience through the best solutions development
- Analyzing and estimating efforts and project plans based on requirements; creating functional and technical documents; mapping specifications for integration and transformation.
- Responsible for redesigning the existing solution and plan for and design estate upgrades and technology shrinkage.
- Migrated systems and applications for Like-TO-Like, Lift and Shift hardware, VM migration, transform and migrate, storage migration amounting to huge volume of data from on premise to cloud data centers.
- Created technical solution designs after performing IT infrastructure architectural assessments, developed work products like technical solution design documents for IT infrastructure engagements.
- Work with strong partnership with willing collaborator with Sales, Service lines and other lines of business.
- Delivered the solution design based on client requirements; designed a cost estimate and resourcing plan based on the solution design.

Project # 1: EBIS - Solution Design & Architecture Services – New Logo – Senior Technical Solution Manager

Aug'16 to Sep'17

- Worked on new logo deals for Europe and USA Geo
- Leveraged IBM GTS Service Lines and Engineering Practices structure to deploy best practices, improved modular component usage within all solutions
- Coordinated with offering teams and other multi-discipline teams
- Ensured IBM is delivering a superior client experience through solution development
- Developed technical solution strategies and provided cost targets that are market competitive
- Participated in client meetings to collect requirements and present solutions/proposals
- Developed detailed technical solutions for large and complex outsourcing service request
- Worked on projects to ensure cost reduction in overall IT costs by standardizing process, re- using functions and technical assets or demising redundant applications
- Engaged in DRR calls with IBM and client stakes to explaining solution, risks, and reasoning for costs.

Report On **“How to become an Entrepreneur”** **A Guest Lecture**

Date: Thursday, 09/12/2021

Venue: Online Mode on MS-TEAM

Organizer: TBI Cell, Computer Engineering Department.

Target Audience: First Year to Final Year Students

As a part of TBI Cell activity and to enhance the knowledge and skill of Entrepreneur Science among the students of DYP SOE, a guest lecture was conducted.

The practical experience of setting up the startup was shared by **Mr. Nitin Thorve, MD, Ksemin Systems Pvt. Ltd, Pune**. He along with his business partner **Mr. Ganesh Kudale**, explored the possibility of getting into star-up by identifying the need of the people in society. The guest lecture also covered the issues related to marketing of the product and the legal issues to be addressed.

The feedback given by the students show that the guest lecture was really helpful for getting into own business.

Academic Year 2020-21

“Tech-Buzz of IoT and Startup-Business”

Guest Lecture Report

Name of the Event: A Guest Lecture on “Tech-Buzz of IoT and Startup-Business”

Students Involved: SE to BE students of Computer Engineering Department from DYP SOE.

Date: 19/11/2020, Saturday

Venue: Microsoft Teams meeting

Report:

A guest lecture was arranged for the engagement of students towards developing their interest in the field of Internet of Things.

The speaker for this event was **Mr. Rahul Sarawale** (Software developer, Kemper System, Mumbai) and **Prof. Mahesh Patil** (Assistant Professor, Department of Electronics & Telecommunication, JSPM's Imperial College Of Engineering-ICOER, Wagholi, Pune).

Over 175 students attended the webinar and the video has been posted on YouTube-
<https://youtu.be/YcPNqgmXqpU>

Prof. Pooja Shinde welcomed the audience and gave a brief introduction about the speaker.

Mr. Rahul Sarawale and Prof. Mahesh Patil gave the students detailed information about –

- a. What is IOT?
- b. Where do we apply them?
- c. What are the challenges in this industry?
- d. What is the future?
- e. How do I get started?
- f. Q&A

The students provided feedback through the Google form link provided to them by the Prof. Vishal Borate. The feedback was very positive.

The guest lecture was organized under Entrepreneurship Development Cell (EDC) and Association of Computer Engineering (ACE) under the guidance of the HOD Dr. Pankaj Agarkar.

The guest lecture was moderated by Prof. Vishal Borate (EDC Coordinator) & Prof. Pooja Shinde (ACE Coordinator).

The flyer is for an event titled "TECH-BUZZ OF IOT & START-UP BUSINESS". It is organized by the Entrepreneurship Development Cell (EDC) and the Association of Computer Engineering (ACE) at Dr. D. Y. Patil School of Engineering, Lohegaon. The event is scheduled for December 19, 2020, at 11:00 AM. The guest speakers are Mr. Rahul Sarawale, a Software Developer at Kemper Systems, and Mr. Mahesh Patil, an Asst. Professor at JSPM ICOER. The event is moderated by Prof. Vishal Borate (EDC Coordinator, DYP SOE) and Prof. Pooja Shinde (ACE Coordinator, DYP SOE). The host is Dr. Pankaj Agarkar, HOD- Computer Engineering, DYP SOE. Other faculty members listed are Dr. F. B. Sayyad, Dean (Academics), DYP SOE, and Dr. Ashok Kasnale, Principal, DYP SOE. The flyer features logos for the school, EDC, and ACE, along with a circular stamp from the Computer Engineering Department.

• **Software's:** Proteus 8, Express PCB, MULTISIM, MATLAB, SCILAB, ARDUINO IDE

Academia

- Pursuing PhD (ECE) From JJT University Rajasthan.
- ME (Electronics) Digital Systems from R S C O E, Pune University in Aug 2013-7.38 CGPA
- B.E (ENTC) from G S MOZE College Pune University, Pune in 2008. - 60.40%
- H.S.C from Maharashtra Board, in 2002. - 62.17%
- S.S.C from Maharashtra Board, in 2000. - 77.46%

Achievements

- Published a paper in International Journal on "Review on Stress Monitoring and Detection"
Link <http://www.jetir.org/view?paper=JETIRAH06013>
- Presented paper in national conference on "Review on Stress Monitoring and Detection"
- Conducted training program and workshops on ARDUINO and Microcontroller's in colleges
- Project On "Enhancement of speech intelligibility by using wavelet transform"
- Project on "Conversion of Electrical Control Panel to PLC Control Panel" in Final year
- Project on "Energy Saving in Street Lights" (Mini Project) in Third Year

Seminar/Workshop

- Completed Self-paced training course "MATLAB fundamentals"
- Completed Self-paced training course "MATLAB Programming Techniques"
- Completed Self-paced training course "MATLAB for Data Processing and Visualization"
- Completed Self-paced training course "Deep Learning Onramp using MATLAB"
- Completed Self-paced training course "Machine Learning Onramp using MATLAB"
- Completed Self-paced training course "MATLAB Onramp"
- Completed Self-paced training course "Image Processing Onramp using MATLAB"
- Completed Self-paced training course "Simulink Onramp using MATLAB"
- Attended one-week workshop on "Communication & Soft Skill"
- Attended workshop on MATLAB & Signal Processing Toolbox
- Attended two weeks on "VLSI & Embedded System Design"

Hobbies and Extra Activities

- Works on different types of controllers and Displays
- Member of nationwide youth group 'Vedic Oasis for Inspiration, Culture & Education' (VOICE).
- Arranged seminars on Stress Management, Mind control & SWOT analysis for students.

Objective

To produce effective results using my knowledge and skills and to become a part of a dynamic & challenging engineering team in an organization.

Experience

Teaching: -

- Institute Name: **JSPM's Imperial College of Engineering & Research, Wagholi**
Designation: **Assistant Professor**
Period: **July 2016 to till date**
Profile:
 1. Taught the subjects -Embedded System & RTOS, Electrical and Electronics Engineering, Mechatronics, PLCs and Automation
 2. Handling practical for the subject Embedded System & RTOS, Electrical and Electronics Engineering, Mechatronics
 3. Working as department level R & D Coordinator
- Institute/Firm Name: **Army Institute of Technology, Pune**
Designation: **Assistant Professor**
Period: **June 2014 to April 2016**
Profile:
 1. Taught the subjects -Digital Image Processing, Basic Electronics Engineering
 2. Handling practical for the subjects Digital Image Processing, System Programming & Operating Systems, Analog Communication
- Institute/Firm Name: **NMIET, Talegaon Dabhade**
Designation: **Lecturer**
Period: **July 2011 to May 2014**
Profile:
 1. Taught the subjects - Integrated Circuits, Digital Electronics, Embedded Systems, Digital Image Processing
 2. Handling practical for the subjects Digital Logic Design, Digital Image Processing, Integrated Circuits
 3. Department level Training and Placement coordinator

Technical skills

- **Languages:** C, Keil, Multisim, VHDL, PLC programming, Assembly programming
- **Controllers:** Atmega 328P, ARDUINO, 8051, PIC, ARM
- **Computer:** MS Office (WORD, EXCEL, PPT)

Projects in Detail

PhD Work:

Currently working on a system to monitor the **stress** of a person by the use of Human bio-field or **Human AURA**.

ME Project:

Here developed a method to enhance intelligibility of speech by using wavelet transforms. The clean speech is obtained from a noisy speech by use of wavelet transform. MATLAB is used as programming tool. Model can be used in aero plane and helicopter cockpits, in industries, and situations where high noise is present.

Final Year Project: -

Here conversion of the relay contactor electrical control panel of Hobbing Gear Machine to PLC control panel takes place. Siemens **S7-200 PLC** was used for this. A good interface between man and machine is provided by giving a display panel. The ladder programming is done for PLC.

Mini Project:-

As a part curriculum a working model was made to save the electricity by using microcontroller. The main idea of project is to keep the lights OFF in selected area where the traffic is very less in nights and turning the lights ON and OFF as vehicle passes. The project consists of micro-controller **8051** and infrared sensors based system.

"Online Live Webinar Introductory session for students on latest technologies." Report

Semester-II

Academic Year 2021-22

Name of the Event: Online Live Webinar "Introductory session for students on latest technologies."

Date: 01/02/2022

Time: 11.00 AM to 12.30 PM

Mode: Microsoft Teams

Students: Students from SE, TE Computer Engineering, AI & DS Department

Report:

Computer Engineering Department organized an Online Live Webinar "Introductory session for students on latest technologies." in association with EICT, IIT, Kanpur from 11.00 AM to 12.30 PM for SE, TE (320) Computer Engineering, AI & DS Department. The session was headed by Mr. Mukesh Kumar.

The session started with the speaker - Mr. Mukesh Kumar explores Competitive programming is a setup where participants write programs to solve some problems within a time frame. The leaders of the contest are decided based on the efficiency of their program and the time taken by them to write the same. Every year we see that a lot of competitive programming contests are held around the world such as ACM ICPC, Google Code Jam, Facebook hacker cup, Google's Kickstart, etc.

The session continued, with Mr. Mukesh Kumar gives information about C, C++, Python etc programming languages. We will tell you some steps, approaches, and tips to prepare yourself for competitive programming.

Keep in mind that you need to be proficient with the following:

Any programming language syntax (Choose any but highly recommended C/C++/Java). Time and space complexity algorithms analysis. Ability to think about a Brute Force Solution. Good practice of all Data Structures like Array, List, Stack, Queue, Tree, Graph, Trie etc. The second half of the event has Keynote speakers answered questions and doubts from students.

Profile:

Dr. Rakesh A. Afre completed his M.Sc (Physics with specialization in Energy Studies) from North Maharashtra University, Jalgaon, Maharashtra and PhD (Nanotechnology) from Nagoya Institute of Technology (NIT), Nagoya, Japan under guidance of *Prof. Tetsuo Soga*. After completion of M.Sc he joined as a JRF at IIT Mumbai to work on DST sponsored project entitled "*Carbon nanomaterials for solar cell*" under guidance of *Prof. Maheshwar Sharon*, Dept. of Chemistry.

Later he moved to Japan to pursue his PhD degree under Japan Government Scholarship (Monbukagakusho). His doctoral studies were focused on "*Synthesis of carbon nanotubes by renewable natural precursors*" In 2007; he has been awarded with PhD degree and continued his further research on organic photovoltaic (OPV) devices at NIT. Then he moved to KRICT, South Korea for his next assignment to continue research on DSSCs and small molecule OPVs. Furthermore, he moved to Australia to continue his research on fabrication of transparent electrodes using nanomaterials for OPVs and then to Ethiopia as a Professor.

He came back to India and joined Walchand Center for Research in Nanotechnology and Bionanotechnology (wcRnb), WCAS, Solapur as a HOD of Nanotechnology department under eminent directors *Dr. Madhuri Sharon* and *Prof. Maheshwar Sharon*.

Research Areas-

1. Energy
2. Nanotechnology (Carbon nanomaterials, Metal oxides nanoparticles, Graphene and Au, Ag, Pt, Pd nanoparticles)
3. Materials Science
4. Photovoltaic devices/Fuel Cells/Supercapacitors/Battery/FET

Papers published in National/International Journals – 28

Patents – 2 (Japanese and US)

Awards/Fellowships/Honour:

- ❖ *Editorial board member, ISRN Nanomaterials*
- ❖ *Editorial board member, AASCIT Journals*
- ❖ *International Reviewer, National Council for Scientific Research, Romania*

- ❖ *International Scientific Advisory Committee Member, International Symposium on Ultrasonics (ISU-2015), Nagpur University, Nagpur, (M.S) India*
- ❖ Gold Medal Awarded for the invention, "Malaysia Palm Oil: A Novel Renewable Biomass Precursor Material on the Preparation of Carbon Nanotubes for Nanotechnology Applications" at Inventions, Innovations and Design (IID 2007) Exhibition, UiTM, 2007
Mohamad Rusop, Saifollah Abdullah, Azira Abd Aziz, Tetsuo Soga, **Rakesh A. Afre.**
- ❖ Gold Medal Awarded for the invention, "A Newly Developed Environmental Friendly Nanotechnology: Nanodroplet Pyrolysis Deposition (NPD) System using Renewable Biomass Malaysian Palm Oil for Preparation of Nano-Materials" at Inventions, Innovations and Design (IID 2007) Exhibition, UiTM, 2007
Mohamad Rusop, Saifollah Abdullah, T.I.A. Tunku Kudin, Tetsuo Soga, **Rakesh A. Afre.**
- ❖ *Reviewer of International Journals -*
 - Advances in Optoelectronics
 - Journal of Nanotechnology (Hindawi Pub. Corp.)
 - Chemical Physics Letters
 - Synthetic Metals
 - Microporous and Mesoporous Materials
 - Micron
 - Thin Solid Films
 - Diamond and Related Materials
 - Surface and Coatings Technology
 - Materials and Design
- ❖ *Reviewer, International Conference on Materials Research and Engineering (ICMRE-2015) Shanghai, China*

Prof. Dr. S. M. Khairnar

- Ph.D. in Mathematics.
- 31 years of teaching and 25 years of research experience.
- Regular Professor approved by University of Pune since 2007.
- Major research areas of interests are Geometric Functions Theory and Image Processing by Graph Partitioning & Wavelets.
- Published 128+ research papers in peer reviewed National & International journals and Conferences.
- Recognized Ph.D. guide by three renowned universities in India including University of Pune.
- 18 students have completed their Ph.D. & presently supervising six students for Ph.D.
- Delivered total 96 talks on various topics for promoting interdisciplinary and multidisciplinary research in science and engineering at National and International Universities.
- Visited foreign Universities for various research activities and delivered plenary and invited talks at various International Conferences held at Canada, London, Oxford, Pakistan, Malaysia, Nepal, Singapore, Thailand, UK, etc.
- Organized 7 conferences, 10 workshops and 4 paper presentation contests, 12 seminars & 86 guest lecturers for faculty and students.
- **Successfully completed four research projects funded by RPS University of Pune, UGC New Delhi, Department of Science & Technology, Government of India & Department of Atomic Energy, Government of India and presently working on one major multidisciplinary research project worth of Rs.91 lakhs funded by Ministry of Science & Technology, Govt of India & European Union.**
- Worked on several bodies of the universities like, the Board of Studies, Research Recognition Committee, Staff Selection Committee and several others.
- Presently working as Professor and Head, Department of Engineering Sciences and Dean (R&D) at D. Y. Patil School of Engineering, Pune, Maharashtra.

APPRECIATION LETTER

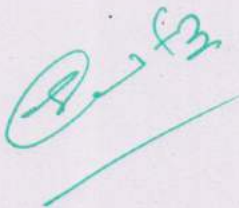

To,
Mr. Rakesh Afre,
Associate Professor,
Ajeenkya D Y Patil University

Please accept our sincere thanks for the excellent support provided by you in organizing and hosting our one day seminar entitled "Research Paper Writing & Publications" on 30/08/2021 at 11: 00am. Your role as a resource person was done truly and excellent. Your skill in talking about different angles of the subject "Research paper writing & publication" was highly appreciated by those representing all side of that extremely informative topic. Your efforts contributed sustainably to the quality and effectiveness of the resource planning towards the institute and were enhanced by the professionalism displayed by your experience in providing video conferencing support.

We believe this guest lecture was one of the most productive sessions with highly intellectual resources.

Thank you for gracious technical assessment & Professionalism.
Thanks and Regards

Details of the event:

Details of event:

Department of Engineering Sciences of Dr. D. Y. Patil School of Engineering organized one day National level webinar entitled "Intellectual property Rights(IPR)" on 06th September 2021 on MS team. The Programme started at 2:00 Pm with the welcome address by Dr. Shobha Rupnar.

Session was conducted by Dr. Vijaykumar Jatti. He elaborated some important points as,

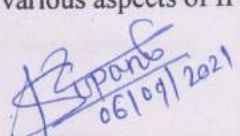

1. IPR & its types
2. How to draft IPR
3. Terms and conditions to file IPR
4. Difference between the protections
5. Importance of IPR and its relevance in these times and its necessity for the advancement in research
6. E-filing of patent applications : Process.

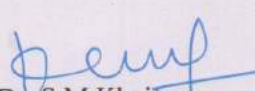

Highlighted Points

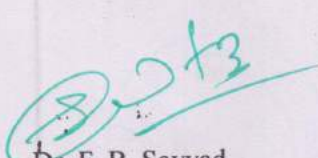

1. No of Participant Registered: 138
2. No of participants attended webinar: 70
3. No of Participant Eligible for getting certificate: 70
4. Good response and comments are received around the globe for arranging such a nice event.

He also discussed in detail about the topics such as what is copyright? What do we mean by author or creator?' etc. He distinguished patentable and non patentable inventions in India and around world. He explained various examples of patents in the field of Sciences. The procedure for the application of patents and the various steps of granting of patents were described. He concluded the session by explaining about procedure for applying patents via offline and online. The webinar was concluded at 4.30 pm by a vote of thanks by Dr. Shobha Rupnar.

The Workshop was highly informative to students, teachers and research scholars. Teachers and students from other departments, colleges, universities and research institutes from different parts of India participated in the webinar. Thus webinar provided valuable awareness and insights on the various aspects of IPR.

APPRECIATION LETTER

To,

Dr. Vijaykumar Jatti,
Associate Professor & head,
D Y Patil college of Engineering, Akurdi, Pune, India.

Please accept our sincere thanks for the excellent support provided by you in organizing and hosting our one day seminar entitled "Intellectual Property Rights" on 06/09/2021 at 2: 00pm. Your role as a resource person was done truly and excellent. Your skill in talking about different angles of the subject "Intellectual property Rights and Patents" was highly appreciated by those representing all side of that extremely informative topic. Your efforts contributed sustainably to the quality and effectiveness of the resource planning towards the institute and were enhanced by the professionalism displayed by your experience in providing video conferencing support.

We believe this guest lecture was one of the most productive sessions with highly intellectual resources.

Thank you for gracious technical assessment & Professionalism.

Event Report

Academic Year: 2021-22

Semester-I

Name of the Event: "Multidisciplinary Research Proposal Writing"

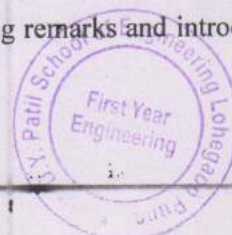

| | |
|-------------------|---|
| Date and Time | 18/02/2022, 1.00 p.m. to 3.45 p.m. |
| Event Venue | Virtual Meet - Microsoft Team |
| Organized by | Dr. Shobha Rupanar, DYPSOE |
| Targeted Audience | UG/PG students, Academicians, Educator, Researchers, Faculties, Industry person and Students of various Institutes. |
| Resource Person | Dr. S.M. Khairnar (Professor & Head), Dr. Saniya Ansari (Associate Professor) and Dr. Arun Khalkar (Assistant Professor), DYPSOE, Pune. |

Event Objectives

1. To Identify, Motivate and Prepare professionals for conducting Research in their respective Professional Institutes
2. To discuss, how to translate research ideas into research project worth funding.
3. To motivate participant for multidisciplinary Research
4. Available research funding opportunities and Drafting of International Joint Research Proposal with case study.

Details of the event:

Department of Engineering Sciences of Dr. D. Y. Patil School of Engineering in Association with IQAC cell of DYPSOE organized National level workshop entitled "**Multidisciplinary Research Proposal Writing**" on 18th February 2022 on MS team. The Programme started at 1:00 pm with the welcome address by Dr. Shobha Rupanar. Opening remarks and introduction of the Programme was given by Dr. Shobha Rupanar.

The workshop has been divided into three sessions. The session 1 is started from 1:00 PM and conducted by Dr. S.M. Khairnar, Professor & Head at DYPSOE. He elaborated some important points as,

1. Drafting of Research Proposal.
2. How to convert Research ideas into Research Proposal/Projects.
3. Research Methodology
4. Platform available for Funding of Research Project
5. Guidelines.

The session-2 was started at 2:00 PM and session was conducted by Dr. Saniya Ansari, Associate Professor at Electronics & telecommunication Department at DYPSOE. The highlighted points of the session are as under,

1. Structure of Research Proposal
2. Information about her SPRING & PEER project
3. Collaboration with National and International Funding agencies/Opportunities.
4. Research Proposal Types.
5. AICTE funding scheme and international scheme & Required Checklist.
6. How to decide Budget for selected Proposal /Project.

The session-3 was started at 3:15 PM and session was conducted by Dr. Arun Khalkar, Assistant Professor in Physics at DYPSOE. The highlighted points of the session are as under,

1. Proposal writing process.
2. Technical dealing with Research Proposal/Project.
3. Case study using Photovoltaic Nanotechnology Research.
4. How to develop content of Research Proposal.
5. Management skill about Research project.

In this interactive session more than 159 participant from different stream were participated with great enthusiasm.

Please accept our sincere thanks for the excellent support provided by you in organizing and hosting our National Level workshop entitled "Multidisciplinary Research Proposal Writing" on 18/02/2022 at 2: 00PM. Your role as a resource person was done truly and excellent. Your skill in talking about different angles of the subject "Funding Opportunities and International Joint Research Proposal" was highly appreciated by those representing all side of that extremely informative topic. Your efforts contributed sustainably to the quality and effectiveness of the resource planning towards the institute and were enhanced by the professionalism displayed by your experience in providing video conferencing support.

We believe this guest lecture was one of the most productive sessions with highly intellectual resources.

Thank you for gracious technical assessment & Professionalism.
Thanks and Regards

Event Contents:

Following are the different contents of 'Training Session/Demonstration on 3D Metrology':

1. Reverse Engineering.
2. Portable Coordinate Measuring Machines(CMM)
3. Articulated Measuring Arm
4. Laser Tracker
5. Metrology Software
6. 3D Printer and Scanners

Details of the event:

The department of Mechanical Engineering had organized the 'Training Session/Demonstration on 3D Metrology' for the benefit of pre-final year students and Third year students of D Y Patil School of Engineering. Mr. Hari Bhawar, Director AMS 3D Metrology India Pvt. Ltd, Pune and his entire team was the resource person for this training program.

During the formal inaugural session, Prof. Amol N. Patil, Event Coordinator welcomed the gathering and introduced resource persons to the students.

Dr. DYPSOE has signed MOU with AMS 3D Metrology India Pvt. Ltd. for skill development, reskilling and upskilling, objective based trainings and workshops, placement assistance, and other related value initiatives for college students and faculties.

In two hour's session, AMS 3D team imparted training on basics of metrology, advances in metrology, reverse engineering, portable coordinate measuring machines (CMM), articulated measuring arm, laser tracker, metrology software, 3D printer and scanners.

AMS Team shown actual demonstration of reverse engineering i.e. scanning of mechanical component, 3D Model creation by from scanned data (point cloud), 3D model development by CAE tools, simulation etc. Also they showed how to develop a prototype by using 3D printing technology by scanning existing part of which CAD data is not available.

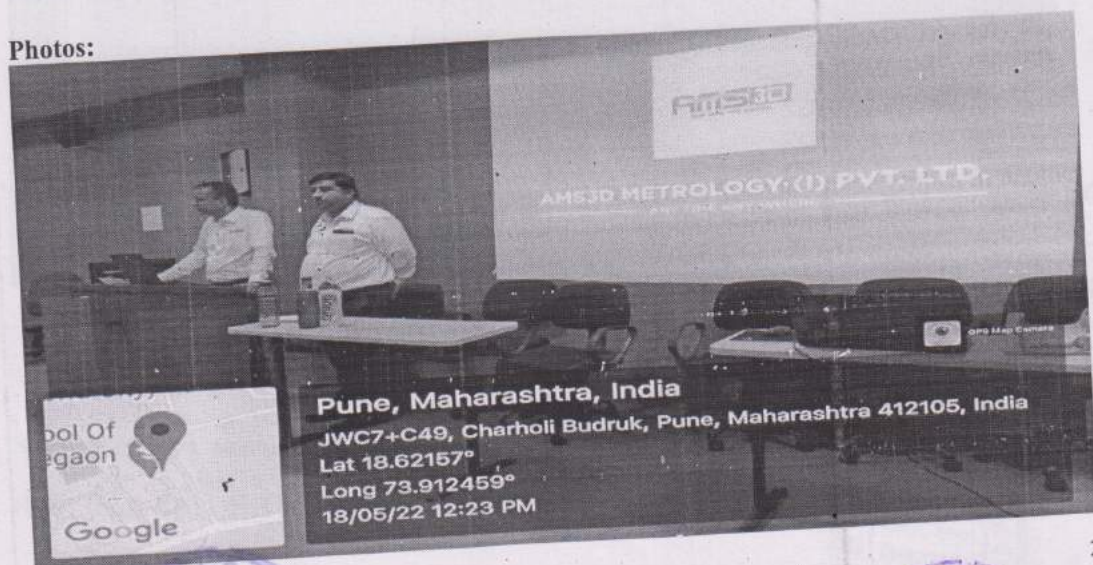

They also demonstrated advanced metrology instruments like Portable CMM (PMT Alpha P, M, E Models), 3D Laser Scanners (Hand Scanners, Long Range Scanners), Laser Trackers (Faro, API, Leica Absolute Tracker etc.), Metrology Softwares like CAM 2 Measure.10, Geomagic Polyworks, Power Inspect.

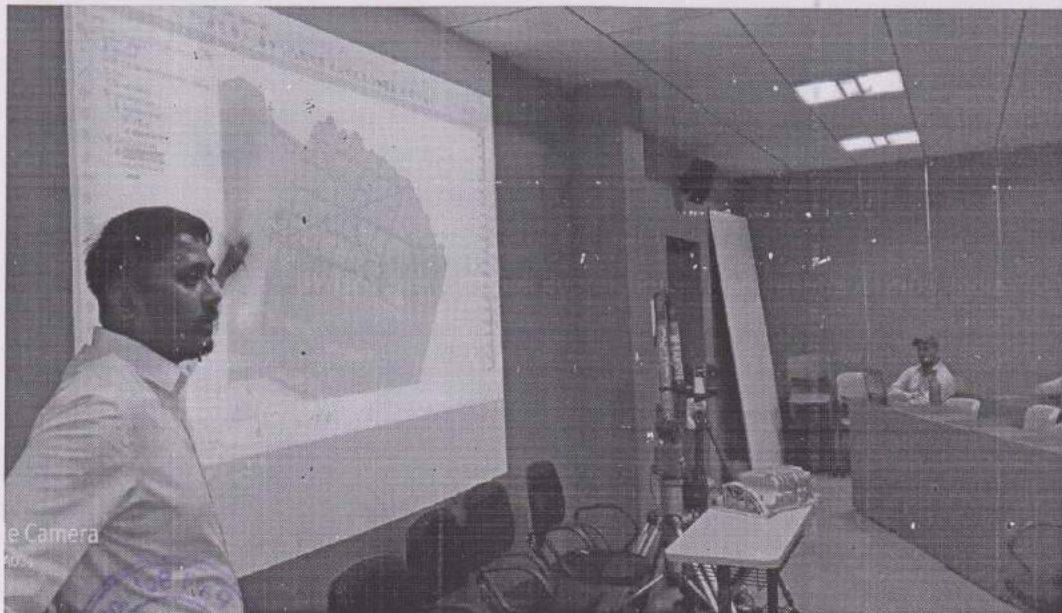

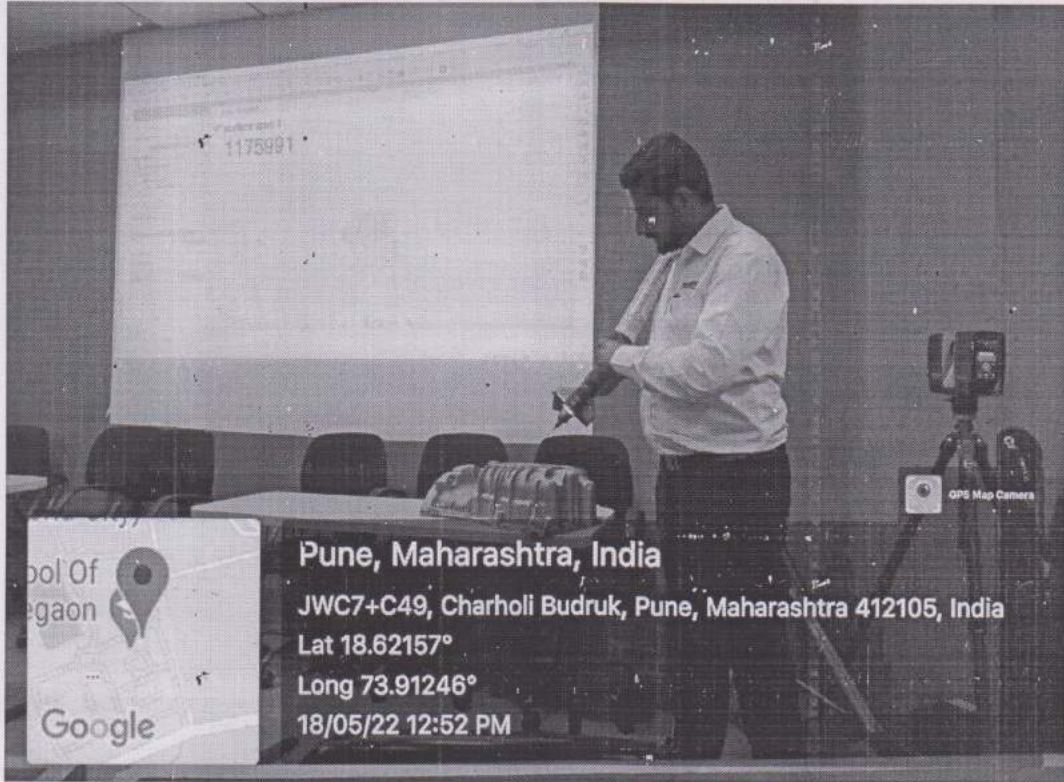

Lastly they shown how to scan entire plant/building/structure to create same replica at another location i.e. plant simulation which comes under digital manufacturing domain.

All 84 Students were very curious while learning and asked different queries related to this technology. AMS 3D team solved all minute queries of students. Students were satisfied and confident while grasping this innovative technology and its demonstration.

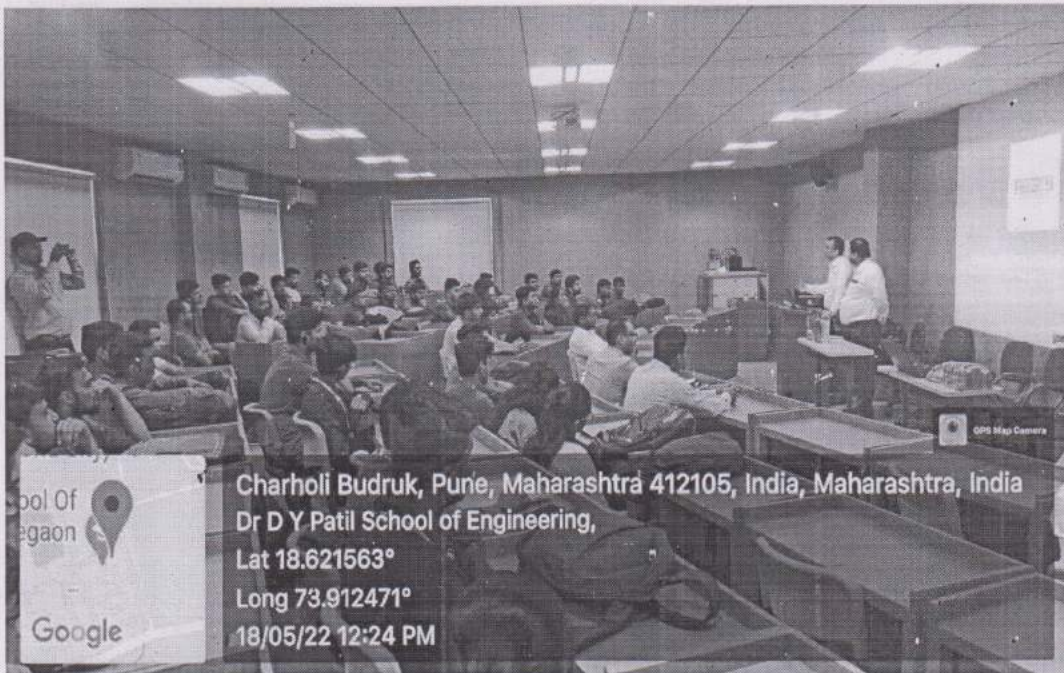

At the end of the day program concluded with Questions and feedback from students and vote of thanks by Event Coordinator.
