Event Report on 73rd REPUBLIC DAY EVENT

26 January is celebrated as Republic day as our constitution came into force on this day. This day is celebrated by the people of all religions with great pomp and joy. This day is observed as a national holiday in the nation. India will be celebrating its 73rd republic day in 2022. The celebration arrangements are according to the protocols of the pandemic situation.

It gives me immense pleasure to announce that the NSS unit of Dr. Dy Patil School Of Engineering on 26th January Wednesday 2022 had organised an online event on the Auspicious occasion of 73rd Republic Day. Almost 136 participants took part in the event. Along with student of School of Engineering our Principal Dr Farook Sayed and Some of faculty also show patriotism toward this wonderful event.

On the occasion of Republic day 26th Jan 2022 Wednesday our NSS team visited a dog shelter in Pune. Petsforcepune is now successfully functioning for more than 10+ years. Mr. Vinod Salvi created thing NGO for dogs after seeing the saddening conditions of stray dogs in India. His journey is really motivating and we think everyone should visit petsforcepune once for sure. Started on his own out of love for animals and passion to save them, he today has proper shelter and team with him. He makes sure all the dogs are well fed and well medicated. He also takes in the poor dogs who got into accident, who lost their limbs and gives them proper treatment. It was really inspires us to help the stray dog to provide food and shelter.

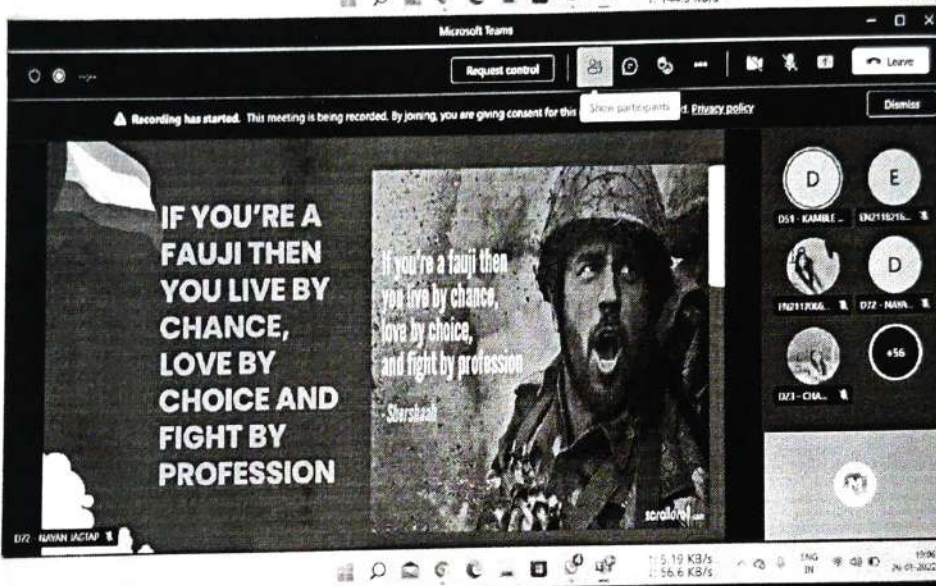

It was a fascinating event that was put forth on a large scale and a step further towards spreading awareness about the prominence of this day. The event was anchored by Ms. Pooja Kamble who welcomed all the Honourable guests, participants, and audience. As we proceeded further into the event Ms. Apeksha Meharkar continued with the introductory part and briefings about the event. Everyone stood up as we gave our respects to the Indian National Anthem to address the initiation of the event. Then DYPSOE NSS head, Chinmay Solat gave all the participants brief information about all the NSS social work done until now and briefed everyone about the future plans, and he concluded the briefing with a pledge led by him.

As we moved further Mr. Sumit Satao gave us all a great informative speech on the Importance of Education. It wouldn't be an event if there weren't any games, isn't it? Hence

we proceeded towards the fun part where the audience awaited, the Quiz competition wherein they seemed amused as they enjoyed the game and the enthusiastic anchoring by Pooja.

Then the anchor announced the winners of the Photography, Reel making, Rangoli making, and Music competition. All the winners were felicitated by a certificate and were applauded by the crowd for the amazing work they did.

In the end, Pooja expressed her vote of thanks to everyone who attended the event, hence concluding the event on a positive note. We are glad that we could spread awareness about the importance of such a great day. We hope to participate in more social causes in the future to keep people aware and motivated.

An Event on Savitribai Phule Smruti Din

Savitribai Phule Smruti din was a martyr that fought against the caste system and other social evils that prevailed in India. This was the lady that started a school for the downtrodden and was also the first lady teacher that India has ever seen. She was married to a very justice oriented man and they led many movements for the oppressed together!

History and personal life:

Savitribai Phule was born on January 03, 1831, at Naigaon, Maharashtra. She was a child bride to the activist and social reformer Jyotirao Phule. The support from her husband led her to read, write and establish India's first school for girls, called Bhide Wada in Pune in the year 1848.

They both believed that education was the only medium for empowering the depressed class and women to stand out equally with the rest of society.

She was known as the 'Crusaders of gender justice'. She completed her teaching training at an institute called American Missionaries in Ahmednagar and Pune's Normal School.

Her impact on society:

At a time when education was limited and had very few missionary schools to be opened for all. At the ages of 21 and 17, both Jyotiba and Savitri opened schools for women in 1848. It was the first initiative by Indians to open schools for women's education.

In the year 1849, Jyotiba and Savitri left their home as their work towards women's education was considered against society by their own family members.

They both stayed in Usman Sheikh's house where she met Fatima Begum Sheikh, who was the first Muslim woman teacher of India.

On this day our NSS DYPSOE had organised an event in the college campus the guests were respected principle sir, and faculties.

Different Posters were made by our fellow mates on this occasion

Different Speech and Poems was recited by Our NSS team members

In the end teachers shared their thoughts for this auspicious day, and thanked our NSS team for arranging the program in such a beautiful manner also they shared their information regarding the importance of today's day.

The Event was concluded by a beautiful poem and Photo of our NSS team with all respected teachers and Principal Sir.

BLOOD DONATION CAMP REPORT

A Blood Donation Camp was organized by NSS Unit, D Y Patil School of Engineering, Lohagaon in association with Puna Serological Institute Blood Bank, Pune on the occasion of the 50th birthday of our beloved Honorable Chairman **Dr. Ajeenkya D Y Patil** and founders day on December 22, 2021, at D Y Patil School of Dental Lohagaon. The camp began at 10:00 A.M with a short inaugural function by Chief Guest of the Blood Donation Camp, **Mr. Prabhakar Bhagwat** and **Mr. Prabhakar Jadhav**, Trustee of D Y Patil Group in presence of **Dr. B Khedkar** Vice President of ADYPTC, **Dr. Ajay Patil** Principal Law College Nerul, **Dr. F B Sayyad** Principal DY PSOE, All HOD's and Faculties of DYP SOE.

Chief Guest Mr. Prabhakar Bhagwat encouraged all the donors by saying "Gift of Blood is Gift of Life". He thanked all the donors for the Noble steps they have taken and to help the fellow brethren. Dr. B Khedkar stressed on the growing need of blood in the state and commended the young volunteers for their noble act. Dr. F B Sayyad addressed the gathering, Blood cannot be manufactured - it only comes from generous donors to save the society and mankind, we should come forward for these Noble cause. 200 units of blood were donated by both students and the staff members of our ADYPTC. It is a way of D Y Patil School of Engineering's gesture in bringing a ray of hope to alleviate the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units.

The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing first-time donors at the camp our NSS volunteers brought awareness in them about the shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save the lives of innumerable persons. The donation of blood is very

critical and crucial for saving the lives of many patients and those who have met with accidents. It is such a great service or contribution to the society and people living in it.

माझा श्वास तू, माझा जीव तू,
माझ्या जगण्यासाठी अर्थ तू माझी लाडकी छकली.
तुझ्यामुळे मज आईपण मिळालं कसं सांगू तुला,
माझ्या बकुळीच्या फुला.

ती आई आहे, ती लाई आहे, ती मैत्रीण आहे,
ती पत्नी आहे, ती मुलगी आहे, ती जन्म
आहे, ती माया आहे, तीच सुरुवात आहे आणि
सुरुवात नसेल तर बाकी सारं व्यर्थ आहे.

EVENT REPORT ON NAILED TREE CONSERVATION

Hammering anything into a tree is intrusive and will cause harm, a tree is a living organism and an injury such as this is damaging. The outer bark layer on a tree stem protects against disease and decay, anything that breaches it can allow the entry of harmful organisms. The significance of any harm will depend on a number of factors such as the extent of the injury, the species and age of the tree and its overall condition. For example, a single nail is unlikely to cause great harm to an established tree that has natural durability such as oak or sweet chestnut but it could be more harmful to a tree with lower durability such as birch or poplar.

We the NSS unit of DYPSOE organized an event today that is nailing tree conservation 13th February 2022 to address the same problem. 17+ students were gathering to take part in this wonderful offline event following all covid protocol taking the permission from college.

The NSS members assembled in college today at 9:30 am and brought the necessary tools like Hammer, Stapler remover pincers etc. We had started our mission of make Nail Free event starting from our college area in charoli via lohgaon to entire porwal road area in lohgaon.

We started our mission from removing clipping Nails, Pins and other sharp objects stuck in precious trees. The event was carried from 10 am to 12 pm, and we successfully plucked out huge number of sharp objects stuck in tree which were hurting them. This event not only makes free the precious tree from harmful object but also increases their lifecycle which is our main mission. The deep embedded nail, rod or metal wire, which eventually disappears into tree trunk and is no more visible to human eye, could result in mishaps as well. If you search the web, you'll come across incidents where people lost their limbs or reported serious injuries after the chainsaw bounced back on the victims after striking against the metal nails, rods and metal wires inside the tree-trunk. It also causes damage to the equipments. So, it's better to check such practices when we know that sooner or later every tree is going to be axed, especially if the government and the public continued to maintain their passiveness towards this highly sensitive issue of tree abuse and intentional deforestation.

What we did today, didn't free all the trees from pain however this is just a mere beginning our NSS team will keep doing such tasks in future. The deep embedded nail, rod or metal wire, which eventually disappears into tree trunk and is no more visible to human eye, could result in mishaps as well. If you search the web, you'll come across incidents where people lost their limbs or reported serious injuries after the chainsaw bounced back on the victims after striking against the metal nails, rods and metal wires inside the tree-trunk. It also causes damage to the equipments. So, it's better to check such practices when we know that sooner or later every tree is going to be axed, especially if the government and the public continued

to maintain their passiveness towards this highly sensitive issue of tree abuse and intentional deforestation.

We were blessed to have our camp at the base of **lord Khandoba temple**, the lord worshiped by the whole of Maharashtra. The team cleaned every possible area of the village and temple there.

The camp created awareness about the **mental stress** through the drama and **importance of education** and **girl child** through the street plays. Also came up with the idea of the relation between generation gaps through one of the best performances of the team. The other street play played and made everyone realize the **importance of marriage** at the right time that too of a girl, describing the motive of marriage to be done after the completion of education.

The team also did **tree plantations** around the temple. Students also had a detailed conversation with the villagers and higher authorities of the village regarding their geographical and historical information of the village.

DAY02 MAHASHIVRATRI SPECIAL (01st MARCH 2022)

Group 02 (Pratiksha Kanade, Anuja belge, Pawanraj Khamkar, Atharva Kapale & Hemant Pawar)

As per the scheduled group, group 02 way started their day by waking up everyone personally in the camp.

#Post Exercise and yoga photos

Day 2 was a very auspicious day as it was Mahashivratri. Prayer is an expansion of total faith in the present power within and around us.....Daily the morning assembly is held after a jog, in which the National Anthem is sung followed by the NSS pledge and prayer. As it was Mahashivratri we all had fasted and spent most of the time devoting god.

"Cleanliness is next to godliness" ' so after morning routine and breakfasts we started Our *Shramdaan* with a motive of cleaning the temple. The first area cleaned was temple premises from outside thoroughly. We created awareness by making **'eco-bricks'** through waste and garbage collected which looked beautiful. We know **"actions speak better than words"**, through our actions we showed villagers and visitors that collecting garbage is much harder than throwing a single wrapper.

#members cleaning temple premises

Later we visited the temple and came to know about the history of the temple and *lord Khandoba* along with his wives- *goddess*

Mhalsa and goddess Banu.

Further, the troop had group discussions in the eve along with tea on social issues and next day planning. The day started to end by practicing street play and cultural activities after dinner. Then comes the favorite part of the day-bonfire, where everyone around the fire showed off their special hidden talents.

DAY 03 SUPER ENTHUSIASTIC DAY (02nd MARCH 2022)

According to tasks allotted **Group 03** (Pallavi Waykar, Nita Koli, Ashish Deshmukh, Prajwal Gaikwad, Prajwal Padwal) rose up the day at 5:00 am. Everyone assembled and had the National Anthem collectively followed by NSS Pledge and songs with university song taken by joint representative Ms. Pratiksha Kanade.

The exercises done by Mr. Abhimanyu Tarde made everyone energetic for the rest of the day, followed by yoga practices by Ms. Pratiksha Kanade and Ms. Pooja Kamble.

The trek then includes the visit to **Chandrahud Vada**, the very old and historic Vada (palace) of the village, and also the tourist spot. Where all came to know about the **Gaikwad's** and **Shinde's** and **Sikh** of the Vada. As per saying the Vada belonged to them, but further didn't find any solid proof.

#chandrachud photos

On return, the tasty lunch made by group03, ended the fast kept on Shivratri.

Lunch was then followed by a village **survey**. Village survey was one of the most interacting and interesting parts to the members where we came to know the history and legacy of the village from zero till date. Which include the sayings and myths of Vada, Gram Panchayat, the history behind the name of the village -**Nimgaon**. Also witnessed the temple's history. It was the interaction between the 3rd and 1st generations. Their experiences taught us life lessons. Villagers showed their love to our members by greeting us with a rose flower, which connected us to that villager's heart.

#survey photos

We then had preparations for the guest lecture at night.

We had **Mr. Swamiraj Suryakant Bhise**, the dignitary from the **Savitribai Phule University** with many qualities in him. He taught us many things, played games with us which were beneficial to us. He made everyone realise to have faith in themselves and the group too. It was the most beautiful guest lecture ever in the campaign.

#swamiraj sir photos

The day ended with practices for the drama NSS show, under the instructions of Cultural Head Mr. Prajwal Padwal & Ms. Pratiksha Kanade. Also, discussion regarding the activities and miscellaneous, and planning was done by Mr. Chinmay Solaat with the help of Prof. Ms. Shital Patil ma'am for next day after dinner around the bonfire.

DAY-04 DEEP BONDINGS AMONGST US (03RD MARCH 2022)

It was the fourth day of our camp. As per scheduled **Group04** (Pranay Diyewar, Krushnakant Bombe, Suraj Mane, Nayan Jagtap, Meghna Khambait) started their work, our mornings started with sun kissed walk and good amount of vitamin D.

That day along with Mr. Abhimanyu Tarde, Mr. Pranay Diyewar took hard core exercises, yoga and games & made everyone flexible so that we could be energetic till end of the day.

Breakfast filled the stomachs of members which gave them energy to clean *the Khandoba temple* thoroughly. Here with the help of village authorities our troop cleaned the Temple by washing every corner of the temple. Cleaning the temple was not just the cleaning activity scheduled but also the satisfaction on every member's face told that this was the better way to worship god.

#photo with principal and villagers

We know goodbyes are more than just endings' though it was the end of our camp, though we were saying goodbye to everyone and everything..... somewhere we all knew that it was just the beginning of a story, so many bonds that we created in these 7 days...

It was hard for all of us to express but we lived the most memorable 7 days of life, those 7 days were lessons for life which no doubt will make us the good person and a human

As per NSS motto 'NOT ME BUT YOU', we literally lived this line and felt its true meaning. Everyone pledged to be responsible and grateful towards society. And finally, we left with the memories which will always be treasured. With heartfelt feelings and immense satisfaction.

Special appreciation 😊

The team management was at its best throughout the time in which Mr. Hrishikesh Urde Patil, Mr. Suraj Mane,

Ms. Pooja Kamble, Mr. Nayan Jagtap, Mr. Krushnakant Bombe, Mr. Pranay Diyewar, Mr. Pawanraj Khamkar, and team. We appreciate the team for their huge contribution to external sources.

#team

Everything is still alive just because we could relive them in the form of memories captured in photos and videos.

The team photographers Mr. Pranay Diyewar, Mr. Hrishikesh Urde Patil, Mr. Pratik Diyewar, Mr. Abhimanyu Tarde for vlogging the whole camp.

Event Report on Youth Day

The youth is important because they will be our future. Today they might be our partners, tomorrow they will go on to become leaders. The youths are very energetic and enthusiastic. They have the ability to learn and adapt to the environment. Similarly, they are willing to learn and act on it as well to achieve their goals. Our youth can bring social reform and improvement in society. We cannot make do without the youth of a country. Furthermore, the nation requires their participation to achieve the goals and help in taking the country towards progress.

The birthday of swami Vivekananda or Vivekananda Jayanthi is on 12 January the government of India in 1984 declared this day as a national youth day. From then in India national youth day is celebrated every year on 12 January. It is a very important day for every Indian especially for the youth and children of India.

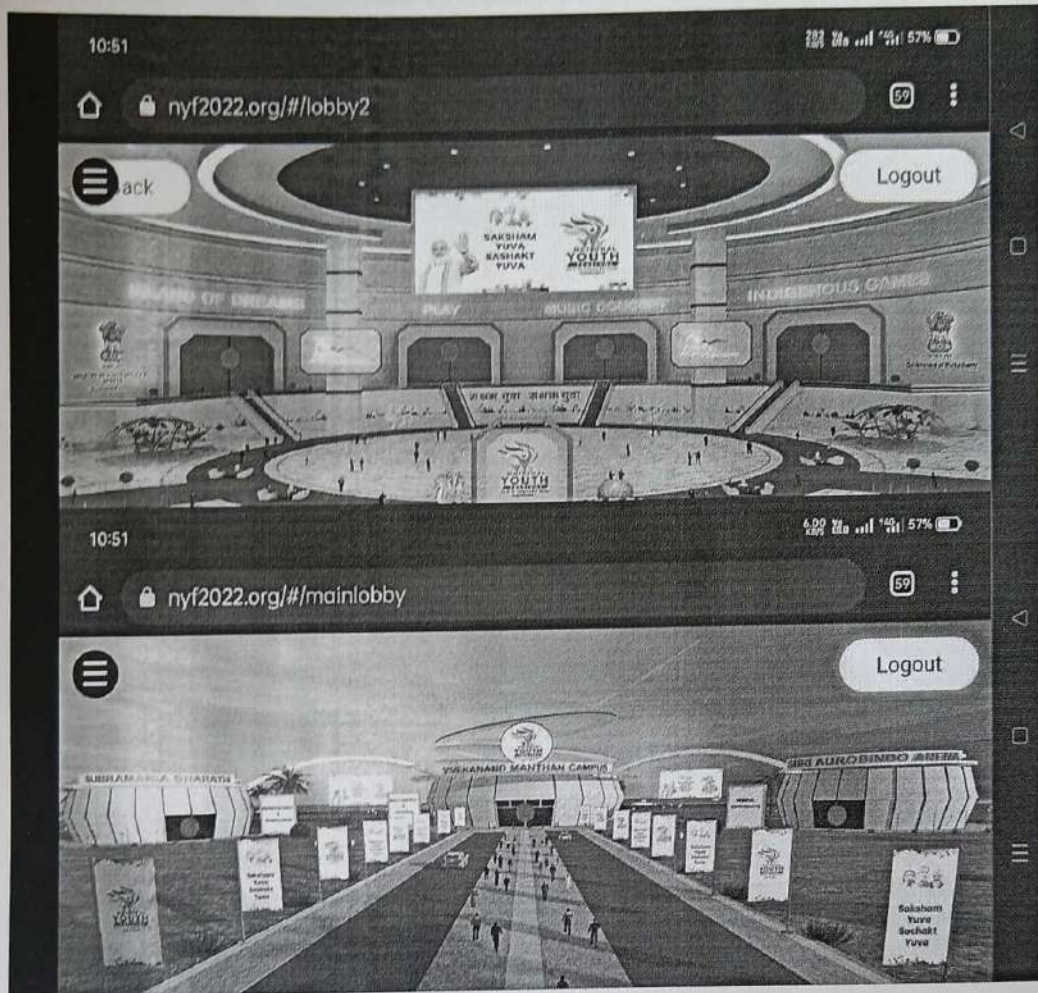

On behalf of 25TH National youth day our NSS of DYPSOE has attend the national youth day inauguration by our Honourable Prime minister Shri Narendra Modiji hosted by Pondicherry, It was 2 day event the festival began on the occasion of National Youth Day on January 12 to celebrate the birth anniversary of Swami Vivekanand. Youth Affairs secretary Usha Sharma said that the festival aims to shape the minds of India's youth and transform them into a united force for nation-building. She said that this year, in view of the emerging COVID-19 situation, the festival has been scheduled to be held virtually.

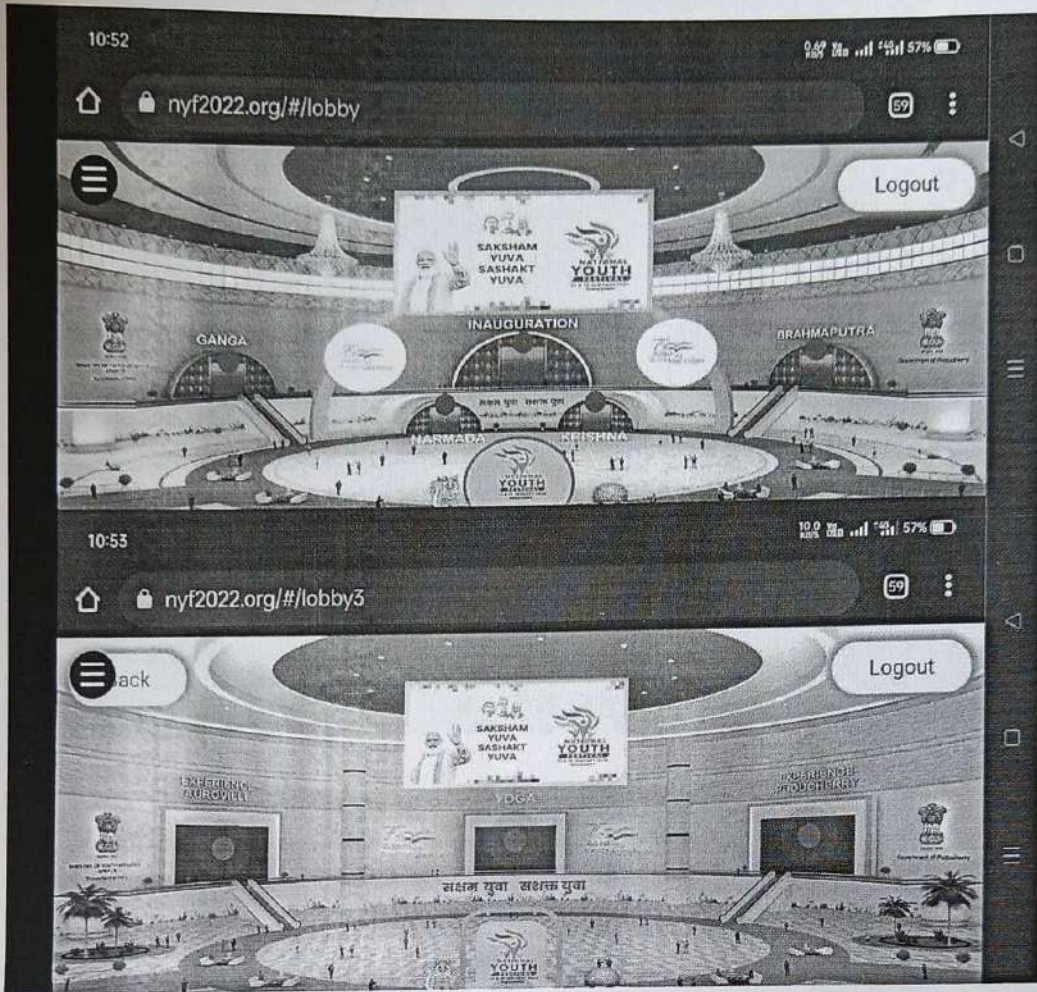

The inauguration was followed by the National Youth Summit which aims to galvanize, ignite, unite and activate the youth towards nation-building, to unleash the true potential of our demographic dividend. During the summit, the youth will get an opportunity to express their views on current issues like the environment, climate change, SDG Led Growth, technology, entrepreneurship and innovation, indigenous and ancient Wisdom, national character, nation-building among others.

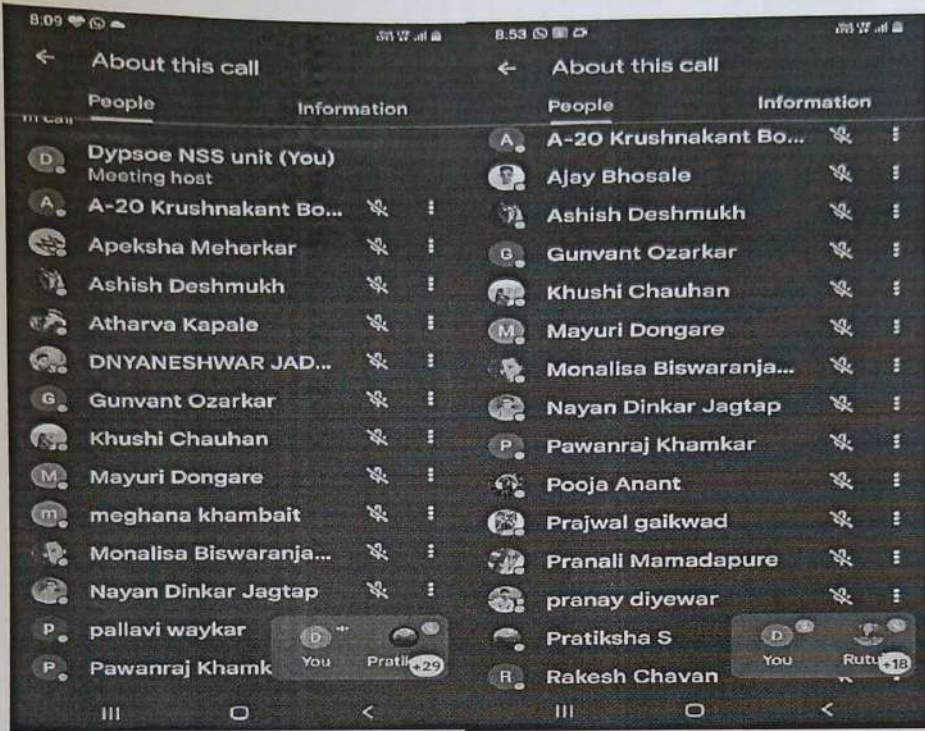

"The Festival also provides an arena, by creating a mini-India, where youth interact in formal and informal settings and exchange their social and cultural uniqueness. This blend of diverse socio-cultural milieu creates Ek Bharat Shrestha Bharat," the secretary said.

Our NSS team also conducted small online event meeting regarding National youth day .25+ student were present at online event which was started at 6 pm on 12th January 2022.It was Started by a motivational Speech by our One of NSS team member. It was really wonderful event.

In short, our youth has the power to build a nation so we must give them the opportunity. They are the future and they have the perspective which the older generations lack. Their zeal and enthusiasm must be channelized properly to help a nation prosper and flourish.

EVENT REPORT HAR GHAR TIRANGA

Tuesday, 09 August

Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag. With that aim, the NSS unit of DYPSOE started the campaign with “Tiranga Awareness Programme” organized at Savitribai Phule Pune University on 9th August 2022 at 4 pm in the evening.

Har Ghar Tiranga’ is a campaign under the aegis of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India’s independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.

At the beginning as students arrived in the University for the Event, everyone was said to take their flags and be present at Auditorium of SPPU. For this event Honorable Deputy Chief minister of Maharashtra Mr. Devendra Fadanvis was invited, he gave us a speech on importance of our national flag, history of our flag. Our team members were our Prof. Sachin Jadhav, Prof. Kunal Marathe, Prof. Ghule and our students Atharva Kapale, Pooja Kamble, Pallavi Waykar, Hrishikesh Urde, Rushi Borse. Lamp was lit up by our deputy minister then we were told to raise our flag higher to make a record that sppu makes every year. Dance performances were done by the students of the University. Song was sung by a very nice singer and a student’s. We stood for the National Anthem. Kulguru of the University were present. All the higher dignitaries were also present at the event to respect the event and celebrate 75 years of Independence by talking about our nation and about our unity. At the end everyone clicked photos with the flag and the dignitaries. Event was successfully done by the University. We were glad that we could visit and spread awareness about our nation and

how many leaders sacrificed for freedom. Hoping to participate in more social cause is future to keep people aware and motivated.

Har Ghar Tiranga is a campaign to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. So under the aegis of Azadi Ka Amrit Mahotsav, a campaign Har Ghar Tiranga has been launched to encourage the citizens to hoist the national Flag of India in their homes. In the above backdrop, our college NSS took initiative under the leadership of Principal Dr. F B Sayyad and encouraged all the faculty members, staff and students to hoist the National Flag at their homes as well as create awareness among them how to keep the flag at their homes.
