DEPARTMENT OF CIVIL ENGINEERING

FACULTY DEVELOPMENT PROGRAM REPORT

Our Civil Engineering Department organized a 5 Day FDP on 'Journey to Research and Beyond' from 21st May to 25th May 2021. It was conducted on Online platform Microsoft Team app. We had invited resource persons from various renowned institutes and the persons were having vast experience in the field of Research. To invite the faculties from other institutes we had published a brochure of FDP and sent to faculties through mail, social media etc. The FDP was free of cost and the E-Certificates were sent to each participant through mail by submitting the Feedback form. We also created a WhatsApp group to post any changes or content of FDP.

List of Resource Persons with Date and Title of the Topic:

- 1) Dr Shabnam Sayyad on 21st May 2021 – Introduction to Research Methodology
- 2) Dr A S Sayyad on 22nd May 2021 – Basic Principles and Process of Writing an Ideal Research Paper
- 3) Dr S M Khairnar on 23rd May 2021 – Writing a Successful Research Proposal for External Funding
- 4) Dr Mahesh R Gadekar on 24th May 2021 – Application of Research in Consultancy
- 5) Dr R C Katdare on 25th May 2021 – Psychological Aspects and Joys of doing Research

We had sent invitation letters to each Resource person through mail. We immediately received a Positive response from them. We prepared a schedule and as per convenience to resource persons and participants we fixed the time after college hours at 04:30pm. Total registered participants were 250. Attendance was also taken on each day with Feedback of each resource person. On 5th Day Feedback of overall FDP was taken and after submitting it all the participants received E-certificates by mail.

Role of Civil Engineering Faculty in FDP:

A) Convener of FDP:

1. Lt.Col. S M Karodpati – HOD Civil Engineering
2. Dr R C Katdare – Assistant Professor, Civil Engineering

B) Co-Ordinator of FDP:

1. Mr. Prasad R Gayake – Assistant Professor
2. Miss Uzma Shaikh- Assistant Professor

C) Organizing Committee:

1. Mr. J D Dalvi
2. Mr. U A Kakde
3. Mr. Swapnil P. Bijwe
4. Mr. Aniket V Nemade
5. Mrs. A A. Ingle
6. Mrs. Pragya Sharma
7. Mr. A. B. Taksande

Enclosure:

- 1) Invitation Letter to Resource Persons
- 2) FDP Broucher

ABOUT THE INSTITUTE:

Dr D Y Patil School of Engineering is one of the best institutes for Engineering Education in the state of Maharashtra which comes under the aegis of Dr D Y Patil Technical Campus, Lohegaon, Pune. The institute was established in 2010 by Hon. Dr Ajeenkya D Y Patil, Chairman, Dr D Y Patil Group of Institutes, Pune. The institute offers 05 UG Programs (B.E), 03 PG Programs (M.E) and 02 Diploma Programs.

- Artificial Intelligence and Data Science
- Civil Engineering
- Mechanical Engineering
- Computer Engineering
- Electronics and Tele-Communication Engineering

Dr D Y Patil School of Engineering is situated in the city of Pune which famously called as Oxford of the East and has proven to be Avant-garde in the field of Engineering over past few years in the region.

A frontrunner in the education field, the Dr. D Y Patil Group is a name synonymous with world class quality education. The chairman of the group Dr. Ajeenkya D Y Patil, strongly believes that world-class education is the stepping-stone to progress with a long-standing commitment towards quality teaching and learning, the group has nurtured values in the making of successful careers. Equipped with state-of-the-art infrastructure, the group encourages its students to think, question, explore and apply their well-honed minds to scale newer heights of success. Our vision would surely make us the preferred institution in the country and abroad. Our programmes would satisfy the demands of employers that require a balance of rigorous fundamental engineering skills along with management talents in entrepreneurship, leadership, technical communication, team work and global awareness.

About The Institute

Dr D Y Patil School of Engineering is established in 2010. The institute is approved by the All India Council for Technical Education (AICTE), New Delhi, Directorate of Technical Education (DTE), Mumbai and Govt. of Maharashtra, accredited by NAAC and is affiliated to Savitribai Phule Pune University. The institute offers engineering programs in Civil Engg., Mechanical Engg., Electronics and Telecommunication Engg., and Computer Engineering. The institute also offers PG courses in Mechanical, E&TC and Computer Engineering. The institute has dedicated faculty members and staff and is well equipped with equipment's in laboratories.

About Faculty Development Program

Artificial Intelligence today is used in all fields of work specifically banking, insurance, manufacturing, retail, logistics and so on. Its application in medical diagnosis, robots, remote sensing, etc. is a high state of the art. AI as a subject includes the use of computer science, mathematics, statistics and domain expertise. AI provides greater precision and accuracy on detection and prediction, Robots trained on AI can be used to do the works which are difficult for us. AI has created newer technological breakthroughs in our life. Fraudulent activities such as credit card transactions have become easier with AI technologies. AI can be used in time-consuming tasks and it can save a lot of time by becoming more efficient.

Day 1:

The six Vs of big data

Big data is a collection of data from various sources, often characterized by what's become known as the 3Vs: volume, variety and velocity. Over time, other Vs have been added to descriptions of big data:

SCALE	VARIETY	VELOCITY	VALUE	VARIABILITY
The amount of data from myriad sources.	The types of data: structured, semi-structured, unstructured.	The speed at which big data is generated.	The business value of the data collected.	The ways in which the big data can be used and formatted.

Data Mining

Data mining is the process of discovering patterns in large data sets involving methods at the intersection of machine learning, statistics, and database systems.
