Vision

Empowerment through quality technical education

Mission

M1: To excel as a center of excellence in technical education

M2: To impart skill-based education to meet the needs of industry and Society

M3: To achieve excellence in teaching, learning and research

M4: To inculcate social & ethical values among the students

Quality Policy

We strive to impart the quality technical education through academic excellence and provide best of facilities to satisfy the need & expectations of the students & stakeholders.

1. Objectives:

Following are the objectives of the mentoring policy

- 1) Counseling the students for their academic, non-academic issues
- 2) Emphasizing and motivating students for their overall development

2. Policy:

The policy is used for analyzing and solving mentee's academic and personal problems by keeping appropriate track. During this process of mentoring the parents are also involved, whenever required. This has helped in transparent record keeping of the mentee and helps mentees for the overall progress. The documentation is done using the format mentioned under point 5 below. A group of 20 to 25 mentees is allotted to one mentor. This has helped to the mentees to interact with the mentor comfortably. Mentor to mentee ratio is calculated by total number of students divided by total number of full-time teachers.

3. Schedule of Meetings:

Mentor and mentees meeting is decided by the mentor along-with the class teacher. Mentor can conduct the meetings as per requirement. However, mentees are encouraged to take initiative for meeting with mentors.

4. Role and Responsibilities of Mentor

Each mentee has different requirement of mentoring. The mentees require varied amounts of attention, motivation, guidance and advice. Some students feel comfortable and confident in approaching the mentors, wherein some may be shy and reluctant to seek help. A good mentor is the one who can understand the individual need of a student.

It is expected that the mentor should tackle the academic and personal problems of the students. Through mentoring, the mentor should motivate the students and boost the confidence level of the students. In order to have an effective mentoring and to build faithful relations with mentees, the mentor must try to remove barriers in communication and must give emotional support to mentees.

5. Policy Documentation

Mentor-Mentee Allotment is done with the help of format (a) as shown below. Record of meetings can be kept in the form (b) named as **Meeting Record format**. Furthermore, for mentee's record of academic, financial and other issues need to be maintained separately using form (c) named as **Mentee Record**.

2. Slow and Advance Learner Manual

Dr D Y Patil Group

Dr D Y Patil School of Engineering
Dr D Y Patil Knowledge City,
Charholi (Bk), Lohegaon, Pune – 412 105

Internal Quality Assurance Cell
(IQAC)

Process Manual for
Slow & Advanced Learners
(Identification & Activities)

Version	1.0
Issue Date	12/07/2020 Form No. (IQAC/37)

✦ Introduction:

Within the classrooms faculty have to deal with different types of learners; few learners are very intelligent who learn very fast and few are quite weak who learn very slowly. Therefore, it is required to determine the abilities of the learners in the class. Based on the ability determined, some learners need only guidance and some learners need a hard work and regular attention.

On the basis of their preceding exam performance, current subject performance and basic knowledge, learning speed of learners can be classified into groups; **advanced learners** and **slow learners**. Each type of learners has different learning attitudes and learning habits. A faculty has to adapt a teaching methodology such that he/she may not lose the attention of the slow learners and turn off the advanced learners.

The purpose of assessment of the learning levels of the learners and conduction of activities for them is

- To identify slow and advanced learners in the class as per the mechanism.
- To motivate slow and advanced learners for self-empowerment and teamwork.
- To help slow learners for improvement in participative learning and activities so that they can become advanced learners.

The remainder of this manual describes the constituent parts of the slow learner and advanced learner identification process and activities for them and includes guidance on process.

✦ Process Input:

To identify slow and advanced learner following inputs is needed

- Marks obtained in previous year or semester in percentage
- Unit Test-1** on the respective subject after completion of 1st unit.

✦ Process of Slow learners and Advanced Learners (Identification and Activities):

The process of assessment of the learning levels of the learners and conduction of

activities for them shall be carried out through a systematic procedure as shown in the flow chart of Fig. 1 and explained in detail as below:

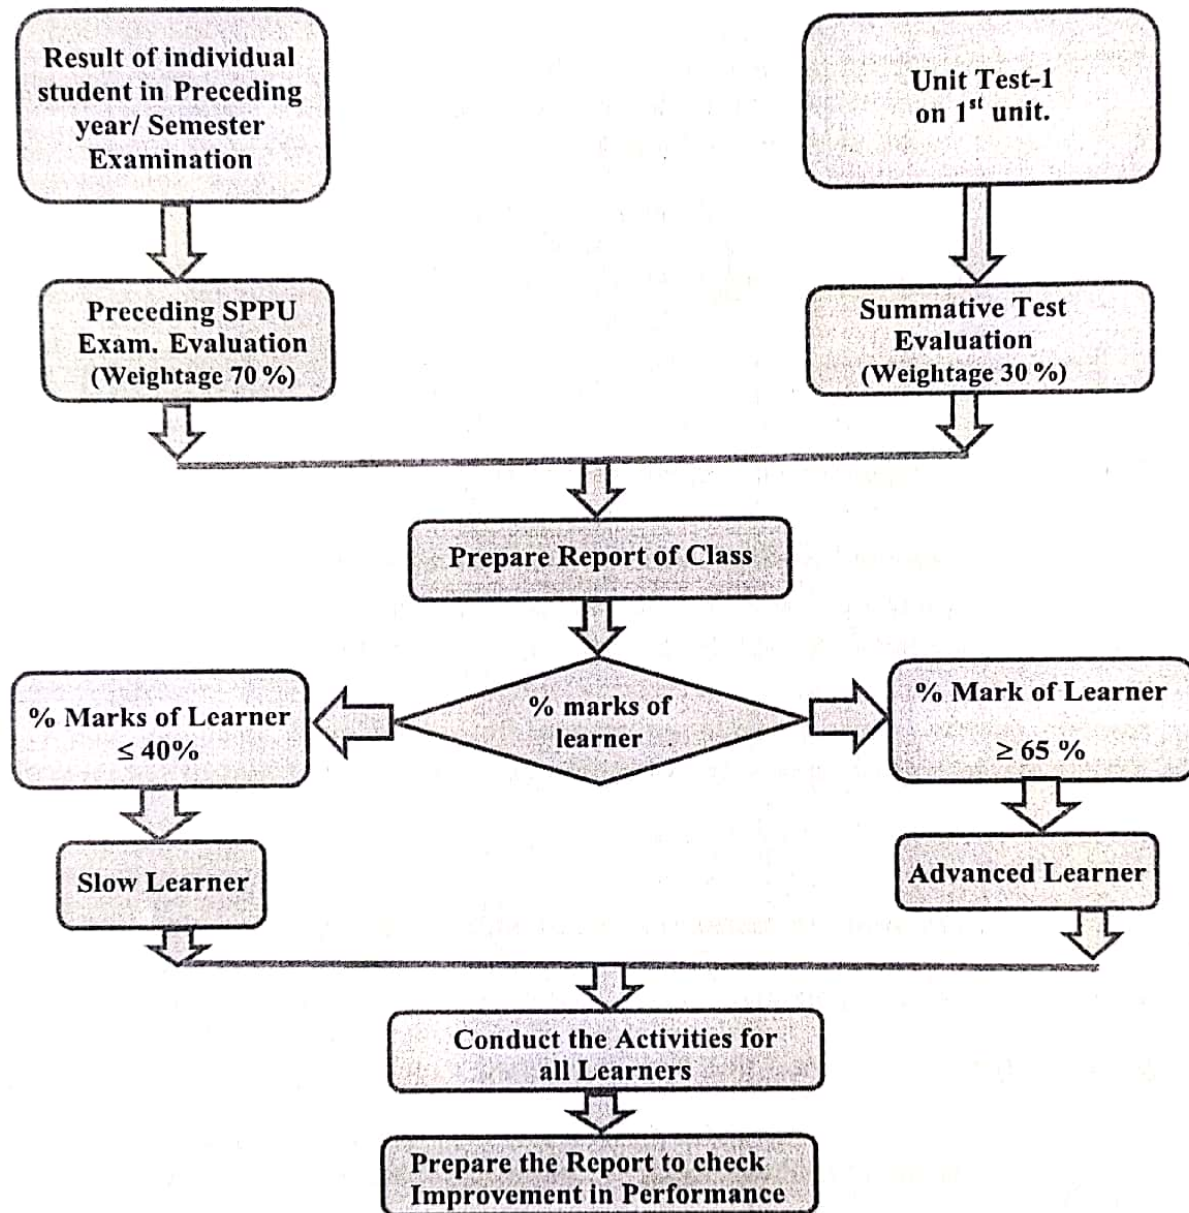

Fig. 1 Process Flow Chart for identifying the slow and advanced learner

1. Assessment of the learning levels of the learners:

- Slow and advanced learners shall be identified for **each subject** separately by respective subject teacher **in every semester**.
- Process to identify the slow learners and advanced learners shall be implemented immediately after declaration of preceding semester SPPU examination result and after completion of unit 1 or after one month in case of FE (SEM I).
- Every subject teacher shall conduct **unit test-1 of 30 marks** (objective or subjective type) and duration of 30 minutes for their subject after completion of first unit.
- Slow and advanced learners are identified based on following parameters and their weightage.

Table 1: Parameters

Sr. No.	Parameter	Weightage in Percentage
1	Academic performance of learners in preceding University examination	70%
2	Marks obtained by student in Unit Test-1	30%

- Based on above parameter a report shall be prepared for complete class showing % score of each student.
- The student securing marks $\leq 40\%$ shall be treated as Slow Learners.
- The student securing marks $\geq 65\%$ shall be treated as Advanced Learners.
- Prepare separate lists of learners for conducting activities as defined and monitoring the progress.
- You can name these groups of learners as Achiever (slow learner), Winner (Advanced learners) etc. or any other names to avoid vertical division among the class.

2. Conduction of activities for Slow learners (implement minimum three activities):

- The teacher shall conduct problem solving sessions /revision sessions/extra sessions.
- Personal attention shall be provided by respective subject teacher.
- The subject teacher shall give assignments and help learners in solving University question papers.
- The subject teacher shall supply question bank to learner.
- Any other activity to be decided by respective subject teacher (if required).

3. Conduction of activities for Advanced learners (minimum three activities):

- Assignments or tasks with greater difficulty level shall be given.
- Learners shall be encouraged to complete NPTEL/Coursera/Udemy/Advanced courses.

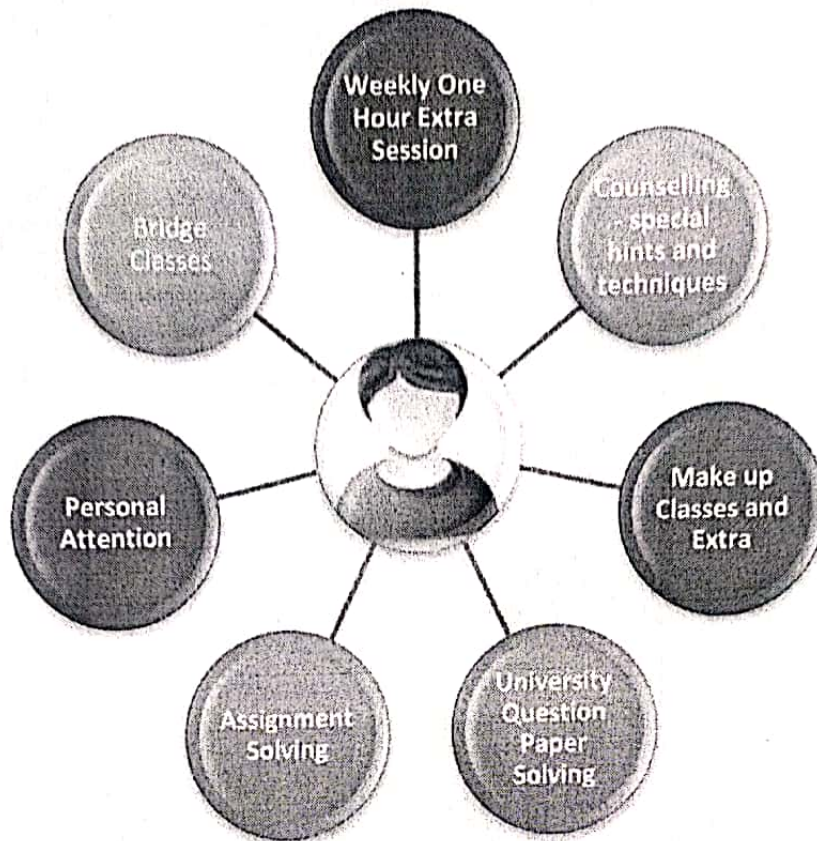

Fig. 2 Proposed activates for Slow Learner

- Learners shall be encouraged for participation in Seminars/Conferences/Technical Events.
- The teacher shall give assignments based on prototype/model making.
- Learners shall be encouraged for industrial visits and industry sponsored internships.
- Learners shall be motivated and guided for higher studies and various competitive examinations.
- Any other activity to be decided by respective subject teacher (if required).

4. Preparation of Performance improvement report of slow learner

- Each faculty shall prepare report after declaration of University result of current semester.
- Checkout the performance of the slow & transitional learners in examination. If the performance is improved then it closes the loop of the activity.

✦ Roles and Responsibilities of Subject Teacher:

The subject teacher is responsible for implementing the complete process as per the manual.

Fig. 3 Activities Conducted for Transitional & Advanced Learner

Subject Teachers will be responsible for:

- ❖ Conducting **Unit test-1 on first unit of 30 marks** and duration of 30 minutes.
- ❖ Evaluation of test answer sheets and preparing the class test result report of class.
- ❖ Preparing and maintaining reports of the class based on parameters decided for assessment of the learning levels of the learners.
- ❖ Preparing separate list of slow and advanced learners, conduct the activities accordingly and maintaining the records.
- ❖ Preparing the report after university result declaration of current semester.

✚ **Documents to be maintained**

- ❖ Cover page: Slow & Advanced Learner Activity
- ❖ Report of result of test/s conducted.
- ❖ List of slow learners
- ❖ List of Advanced learners
- ❖ Schedule of activities to be conducted.
- ❖ Attendance record for session conducted for slow learners
- ❖ Report of performance improvement for slow learners & transitional learners.
- ❖ List / Record of tasks given to advanced learners

✚ **Expected Outcome**

- Timely conduction of activities

Dr. D. Y. Patil School of Engineering, Pune

- Records based on student progress and observation.
- Improvement in University examination.

**3. List of Students Identified as Slow,
Fast Learner & Records of Tests
Conducted.**

5. 360 Degree Feedback Assesment

Vision: "Empowerment through quality technical education"
Dr D Y PATIL SCHOOL OF ENGINEERING
Dr D Y Patil Knowledge City, Charholi Bk., Via. Lohegaon, Pune - 412 105.

360⁰ Feedback Appraisal

A.Y. 2020-21

Aim: To Ensure Quality Assurance in Academics and Administration through assessment of employees

Objectives:

The purpose of 360-degree performance appraisal is to help each employee assess and understand their strengths and weaknesses for personal and organizational development. It aids in role clarity, potential appraisal, career planning, leadership, and team building.

Employee Feedbacks:

- a] Head of Institute gives the feedback of Heads of Departments and Registrar
- b] Heads of Departments and Registrar gives the feedback of Head of Institute
- c] Heads of Departments gives the feedback of their department faculties and non-teaching staffs
- d] Registrar gives the feedback of admin/office staff
- e] Admin/office staff gives the feedback of Registrar

Standard Operating Procedures:

- 1] Institute receives the questionnaires and performance evaluation parameters from the higher authority/HR department at the end academic year.
- 2] IQAC Coordinator prepares the feedback forms for taking 360⁰ feedback of the employees which includes Principal, Registrar, HoDs, Librarian, Teaching and Non Teaching staffs (Academic and Administrative Departments)
- 3] IQAC Coordinator share the feedback forms to respective employees through online /offline mode.
- 4] IQAC Coordinator analyses the feedback and submit the report to the Head of the Institute.

5] Head of the Institute put the remarks on the feedback and submit it to director for necessary action.

Parameters of Performance Evaluation:

Rating Parameters

5 – Outstanding

4 – Excellent

3 - Good

2- Average

1- Poor

Legend for Rating Parameters on 1-5 scale

5 Outstanding:

Demonstrated outstanding achievement in performance standard expectations and goals throughout the entire assessment cycle

Consistently takes initiative to engage in an extensive level of research, data analysis, problem solving, decision making, consistently completes, over achieves expected work volume and targets, manages multiple priorities, positive thinking, mentoring of juniors and peers, collaborative work approach, self-discipline, proactive working, identifies areas of improvement, takes on additional responsibilities and initiatives.

4 Excellent – Achieved More Than Expected:

Exceeded performance standard expectations and goals consistently throughout the entire assessment cycle

Work demonstrates a high level of accuracy, attention to detail, takes initiative, good judgment in problem-solving and decision making, generally completes expected work volume, willingly assumes and completes additional duties and responsibilities when asked, viewed as a “go to” person among peers – for job knowledge and expertise, demonstrates support when change is proposed or implemented.

3 Good – Achieved expectations and / or Results:

Achieved performance standard expectations and goals consistently throughout the assessment cycle

Engages as requested in data analysis, performs job duties at expected levels , demonstrates appropriate level of accuracy, completes expected volume of work and output, demonstrates job knowledge, openness to coaching and feedback, performs duties at expected levels.

2 Average – Partially achieved expectations and / or Results:

Achieved some but not all performance standard expectations and goals. There is need for improvement in some areas of performance. Inconsistent in efforts, has occasional difficulty identifying obstacles, changing work needs, or engaging in problem-solving, work is sometimes inaccurate or incomplete, inconsistent in meeting work volume and / or output expectations, requires repeated coaching and instruction from supervisor in order to perform or complete job tasks, demonstrates reluctance to accept constructive feedback or take ownership of the need for improvement, engages in behaviour that are contentious, divisive, and/or uncooperative.

3. Poor – Below Par – Did not achieve expectations and / or Results:

Fails to produce expected volume of work and/or output, requires excessive amount of instruction, guidance and supervision in order to perform or complete routine job tasks. Unable to demonstrate acceptable level of job knowledge, makes frequent errors and/or mistakes in judgment, despite coaching or retraining efforts. Unable and/or unwilling to recognize or accept responsibility for work issues of concern, unable and/or unwilling to accept constructive feedback or take ownership of the need for improvement. Unable and / or unwilling to accept or adapt to change. Consistently demonstrates behaviour that are contentious, divisive, and/or uncooperative.

Summary of 360° Feedback Summary: A. Y. 2020-21:

Respected Sir,

As per the AQAR 2020-21 Guidelines on Criteria-I Curricular Aspects,
Criteria-1.4.1 Institution obtains feedback on the syllabus and its transaction at the institution from the following stakeholders

1) Students 2) Teachers 3) Employers 4) Alumni.

We have taken feedback of our department from the entire stakeholder.
The genuine responses received on curriculum for the given questionnaires are as follows:

Note: -

The questionnaires and its genuine responses are attached below this covering letter. Please go through the enclosure.
We request you to kindly acknowledge the same and do the needful.

Thanking You. Head of Mechanical Engineering Department.

Action Taken Report

Title: - Stakeholder feedback (Student, Alumni, Teacher, Employer) on Curriculum

The Context that requires the initiation of Practice: - Curriculum Design and Development is a significant process of developing appropriate need-based inputs in consultation with the expert groups, based on the feedback from stakeholders. Stakeholder Feedback is extremely essential for understanding the curriculum delivery and its timely updating as per required for industry standards. This best practice helps to support & design, modify the curriculum as per feedback of stakeholders.

Objectives of taking stakeholder feedback: - The ultimate aim of stakeholder's feedback is to get useful insights for the purpose of improvement in all aspects of teaching, learning, assessment and capacity. Curriculum, being one of the significant aspects of the teaching learning process, needs continuous and periodical evaluation.

Execution of Process: -

Considering Online Mode of Teaching-Learning the Feedback I also taken in online mode through online Google forms.

1. Feedback Conduction for All Stake holders on Curriculum

All the Feedback co-ordinators of department will share the link of that google form to respective Stake holder of their department of A.Y 2019-20 & 2020-21 with pdf of Syllabus Copy of that respective academic year.

2. Feedback Report Collection:

All Feedback Co-ordinators of Department will collect from responses so product & send the report to Criteria- I Chairperson.

Evidence/Impact of the Practice:-

Through this Feedback Mechanism we could able to understand the curriculum revision /addition/deletion for the proposed revised curriculum.

Through this feedback Mechanism we could able to understand the way of transaction of content delivery from its effectiveness point of view & different delivery methods like chalk talk, ppts etc. So that the learners can better understand the concepts & enjoy the teaching learning process.

Problem encountered /Obstacles faced and strategies adopted to overcome them:-

Our traditional practice of conducting such feedback was in offline mode .So we decided to conduct the feedback through online/virtual mode.

Due to this mode of feedback conduction we received comparatively less response from the learners.

We communicated the stakeholder response on curriculum and its transaction to concerned department board of studies through register post however till date we have not received any acknowledgement of it & we expect it might be under consideration for proposed revised curriculum.

MINUTES OF THE MEETING
Board of Studies, Computer Engineering

The second meeting of Board of Studies, Computer Engineering under the Faculty of Science and Technology was held on 19th may 2021 at 3.00pm as zoom meeting.

Agenda:

Agenda-

1. Confirming earlier MoM
2. Curriculum design at TE Computer, SE (AI and DS) and MCA
3. Proposing new UG Program " Computer Science and Design'
4. Review of newly started courses at Honour and PG Program.
5. Any other additional point

Following members wear present for the meeting-

1. Dr. V. H. Patil (Chairman)	2. Dr. Suhasini Itkar
3. Dr. S.S. Sane	5. Dr. M. L. Dhore
4. Dr. Sachin Lodha	6. Dr. Sunil Bhirud
7. Dr. Geetanjali Kale	8. Dr. R. S. Prasad
9. Dr. Pramod Patil	10. Dr. Parikshit Mahalle
11. Dr. Ritesh V. Patil	12. Dr. Prashant Yawalkar

Leave of Absence-

Mr. Girish Khilari conveyed about unavailability and the leave of absence may be granted.

Item 1. Earlier MOM confirmation

Meeting started with welcome of all members of Board of Studies Computer Engineering. Earlier meeting minutes were read and confirmed.

Item 2. Curriculum design at TE Computer, SE (AI and DS) and MCA

Dr. Pramod Patil has collected suggestions for curriculum revision from various stack holders and he has proposed structure, team leaders and members for design of contents.

#1/2

Madam Dr. Suhasini Itkar shall shoulder the responsibility for MCA.

Dr. Yawalkar shall follow the process as earlier decided and prepare draft of SI&DS at second year.

Item 3. Proposing new UG Program " Computer Science and Design'

Looking a demand of human resources for thrust domains at Computer and IT the AICTE has proposed new degree programs at engineering. The board members have unanimously agreed to start new engineering degree **Computer Science and Design'** and responsibility is assigned to Dr. R. V. Patil under guidance of Dr. Sane and Dr Dhore.

Resolution:

The board members have unanimously agreed to start new engineering degree Computer Science and Design' and is forwarded for approval.

Item 4 and 5. Review of newly started courses at Honour and PG Program

Discussion was held regarding the implementation of honor courses. Satisfactory implementation is observed and appreciation is received by students, teachers, industry experts and management.

| 5. Dr. Geetanjali Kale | |
| 6. Dr. Ritesh Patil | |

Leave of Absence-

Dr. Varsha Patil, Dr. R. S. Prasad, Dr. Sunil Bhirud, Dr. Parikshit Mahalle, Dr. M. L. Dhore, Dr. R. Venkateshwaran, Dr. P. M. Yawalkar and Mr. Girish Khilari conveyed their unavailability for the meeting and their leave of absence may be granted.

Chairman of BOS Dr. V. H. Patil requested Dr. S. S. Sane to conduct the meeting on her behalf.

Dr. S. S. Sane welcomed all the members.

Following business was transacted as per agenda:

Item 1. Confirmation of Minutes of previous Meeting

Resolution: Minutes of previous meeting were read and confirmed.

Item 2. Propose to start a new UG programme in Artificial Intelligence and Data Science under Computer Engineering board of studies.

Resolution: With reference of circular to all Vice Chancellors of All Affiliating Universities F.No. AICTE/AB/WR/EAT/2019-20 DT 13.11.2019 related to Introduction of new under graduate courses in Emerging area of Technology, AICTE shall approve the introduction of B.Tech/B.E Programme in Artificial Intelligence and Data Science (AI&DS).

It has been discussed, resolved and recommended that new UG degree programme in B.E (Artificial Intelligence and Data Science) to be introduced under BOS in Computer Engineering under Faculty of Science and Technology from the Academic Year 2020-21.

To be forwarded to the Faculty of Science and Technology for its consideration and approval.

Item 3. Propose to start honors courses and minor courses for UG programme in Computer Engineering (like emerging areas in Artificial Intelligence (AI), Internet of Things (IoT), Cyber Security, Big Data & Analytics and Block chain)

Resolution: With reference of circular to all Vice Chancellors of All Affiliating Universities F.No. AICTE/AB/WR/EAT/2019-20 DT 13.11.2019 related to Introduction of new under graduate courses in Emerging area of Technology, AICTE shall approve the introduction of minor courses in nine emerging areas.

The matter was discussed, resolved and recommended that following minor degree/honours courses in emerging areas to be introduced each with 18-20 credits as per guidelines of AICTE. Refer APH 2020-21 page no. 99)

Minor Degree/Hons	To be offered as Hons., Only for following Major Disciplines (For any other Major Disciplines which is not mentioned here, it may be offered as Minor Degree
Artificial Intelligence and Machine Learning	1. Computer Engineering, 2. Electronics & Telecommunication Engineering 3. Electronics Engineering
Cyber Security	1. Computer Engineering, 2. Electronics & Telecommunication Engineering 3. Electronics Engineering
Data Science	1. Computer Engineering, 2. Electronics & Telecommunication Engineering 3. Electronics Engineering
Internet of Things (IoT)	1. Computer Engineering, 2. Electronics & Telecommunication Engineering 3. Electronics Engineering
Virtual and Augumented Reality	1. Computer Engineering, 2. Electronics Engineering

To be forwarded to the Faculty of Science and Technology for its consideration and its approval.

Item 4. Review of progress of Second Year (Computer Engineering) syllabus revision.

Resolution: The detailed draft of each subject was discussed. Members present provided few suggestions. The final draft will be submitted in due course of time.

Item 5. A committee to be formed for reviewing university examination question papers for Oct / Nov. 2019.

Resolution: Dr. Parikshit Mahalle and Dr. Geetanjali Kale were requested to prepare a format for review of question papers consisting of items such as i) Questions as per syllabus, ii) use of blooms taxonomy, iii) percentage repetition of questions from previous three university insem and endsem examinations iv) Printing errors etc and also to submit the format and the committee for reviewing university examination question papers for Oct./Nov.2019 examinations.

Item 6. Propose to start Specialization in PG programme in Computer Engineering

Resolution: Looking at industry needs new PG specialization programs should be offered. \members discussed, deliberated and resolved that, introduction of ME Computer Engineering with specialization in Data Science and ME Computer Engineering with specialization in Cyber Security should be introduced.

To be forwarded to the Faculty of Science and Technology for its consideration and approval.

Item 7. Any other point with permission of the Chair

Resolution: The detailed draft of each subject was discussed. Members present provided few suggestions. The final draft will be submitted in due course of time.

| 5. Dr. Geetanjali Kale | 11. Dr. M. L. Dhore |
| 6. Dr. Suhasini Itkar | |

Leave of Absence:

Chairman BoS Dr. V. H. Patil requested Dr. S. S. Sane to conduct the meeting on her behalf as she had to attend other meeting of SPPU during the same time slot.

Dr. R. S. Prasad, Dr. Ritesh Patil, Dr. Sachin Lodha conveyed their unavailability for the meeting and their leave of absence may be granted.

Dr. S. S. Sane welcomed the members and congratulated Mr. Girish Khillari for initiatives for students undertaken by his organization and recognition from University. He also congratulated Dr. R S Prasad for being selected as Director, AMITY University.

Following items were discussed as per agenda-

Item 1: Review of SE Curriculum (2019 course)

Resolution: Dr. Parikshit Mahalle briefed about the conduction of SE Curriculum (2019 course). Due to pandemic situation teaching-learning was carried out by affiliated colleges in an online mode. All the colleges have completed the syllabus. There was demand from teachers to have practical/oral examination for all laboratory courses. Also, there is request that mini project of OOPCGL may not be made compulsory.

Item 2: Conduction of FDPs for SE 2019 course, Semester II

Resolution: Proposals for conduction of FDPs for SE 2019 course were invited from various colleges and it is being allocated on first come first served basis as follows

PBL - SIT LONAVALA

ADS, ADSL - WADIA

SE- MMCOE

MP- NDMVP

PPL -NBNSSOE

Dr. Parikshit Mahalle was requested to prepare the FDP calendar.

Item 3: Review of Honors courses curriculum

Resolution: Dr. Parikshit Mahalle informed that some of the colleges under SPPU have offered the honors program and teaching-learning for TE first semester courses was carried out. BoS members appreciated the efforts put in by staff members involved in curriculum design of these courses.

Item 4: Review of MCA curriculum (2 Years, 2019 course)

Resolution: Dr. Suhasini Itkar presented review of SY MCA (3 Years 2019 Course) and Review of FY MCA (2 Years 2020 Course).

Discussion on design of TY MCA (3 Years 2019 Course) and SY MCA (2 Years 2020 Course) was made. It was further resolved that Subject coordinators and team need to be finalized for the detailed design of the curriculum. Mr. Girish Khillari suggested about offering MCA program of 1 year duration for engineering graduates. Dr. Dhore and Dr. Bhirud suggested that 15 months to 18 month certificate course may be made available for such students.

Item 5: Conduction of FDPs for MCA 2019 course semester

Resolution: Dr. Suhasini Itkar suggested conducting FDPs for four courses by identifying the colleges that will host the FDP. Dr. Itkar was requested to prepare calendar for the FDP.

Item 6: Review of status of proposed ME curriculum

Resolution: Dr. Geetanjali Kale presented the proposed Curriculum for ME DS, ME AI-DS and ME Cyber Security. Syllabus is being reviewed and discussed in meeting.

Following colleges have received sanction for ME specialization from AICTE:

SCTR's Pune Institute of Computer Technology (DS)

V. P. KBIET Baramati (AIDS)

Zeal College of Engineering and Research, Pune (DS)

Dr. S. S. Sane suggested to collect feedback on the designed syllabus from the colleges who have got sanction for ME specialization.

Item 7: Design of curriculum for TE 2019 course

Resolution: Dr. Pramod Patil presented the credit structure and standard guidelines for design of TE 2019 course syllabus. Dr. D. Y. Patil teachers' team have prepared various tracks for the elective subjects with six specializations. Looking at teaching resources and examination overheads, members suggested reducing the elective groups from 6 to 4. Dr. R. Venkateshwaran suggested having an elective track pertaining to research based and industry oriented courses. Dr. Bhirud suggested having a general track with courses that may not have prerequisites. Dr. M. L. Dhore suggested adding a course in each track covering mathematical aspects. Dr. Geetanjali Kale suggested to design elective groups in such way that there should be difference between honors program and elective tracks as the same students are going to opt for it.

Members proposed to conduct one more meeting to discuss the TE Syllabus.

Item 8: Additional Point- Correction in honors circular number 149/2020 of SPPU reference-CN/IS&T/329 dated 17/06/2020.

Resolution: As per the MoM of Board (Computer Engineering) meeting conducted on 5th Feb 2020 (CBE/78 dated 29th Jan 2020), the honor courses proposed were to be offered for 4 disciplines as Honors-

Computer Engineering, Electronics and Telecommunication Engineering, Information Technology and Electronics Engineering and

as a Minor degree for remaining disciplines (not mentioned above).

It is recommended to make necessary corrections in circular.

The meeting ended with vote of thanks and new year wishes.
